result these people did not receive hampers.

People who have been notified by the ministry phone the Share the Wealth organizers to confirm their wish to receive a basket which includes a Christmas turkey.

Cringle said that 35 people have called at this point and she expects at least another 15.

The success of the Share the Wealth program depends on the contributions of food, toys and money from the citizens of the community.

Drop boxes have been set up at the Community Credit Union office in Terrace Bay, the Schreiber Public Library and St. John's Anglican Church in Schreiber.

On Dec. 8, the Schreiber Fire

Department will accept donations at the offices in the front of the Schreiber Library building

People wishing to have donations picked up can phone the Schreiber Library on Dec. 8, and the Schreiber firetruck will come to their door.

The Terrace Bay Fire Department will also be open, on Dec. 8, for donation drop-offs.

The Lion's Club has volunteered to make the deliveries on Sunday, Dec. 23.

Chief Don Kidder has offered the use of the Terrace Bay Police Department's four wheel drive vehicle for delivery in the event of a snow storm.

If there is money left over it will be donated to a worthy cause such as the crisis centre in Marathon or the Salvation Army.

# 1990 PROPERTY ASSESSMENT

The annual Assessment Roll listing the assessed value of each property in your municipality will be delivered to your municipal clerk on December 18, 1990. The amount of property tax (municipal and school) you will pay on your home or business in 1991 is determined by multiplying your assessed value by the mill rate, which is calculated by your municipality. The mill rate is based on the financial needs of your municipality, county or region, and school board.

### Notice of Property Valuation

Notices of Property Valuation are mailed to property owners and tenants, prior to the delivery of the Assessment Roll, only if any of the information relating to their property assessment has changed during the past year, such as the assessed value, school support or address; or if they appealed their 1989 property assessment.

### Information Open Houses

Whether or not you received a Notice of Property Valuation, you may have questions about your property assessment. If you do, please come to an information Open House. An assessor from the Ministry of Revenue's Regional Assessment Office will be available to explain your assessment, answer your questions, and change any inaccurate information relating to your property.

If you have questions but can't make it to an Open House, please call or visit the Regional Assessment Office.

The date and location of the Open House in your municipality and the address of the Regional Assessment Office are listed below.

### Appealing Your Assessment

If you are still dissatisfied with your assessment after going to an Open House or contacting the Regional Assessment Office, you may appeal to the Assessment Review Board. The appeal must be filed within twenty-one days after the delivery of the Assessment Roll.

To file an appeal, please use the form on the back of your Notice of Property Valuation, write a letter, or use a Notice of Appeal form. This form and the address of the Assessment Review Board are available at Open Houses, the Regional Assessment Office, and your municipal office.

**The final date for appealing your 1990 assessment is January 8, 1991.**
