

# Anglican Church Women's Bazaar

by Winnie Campbell

A most successful bazaar was held on Saturday, November 17 by the members of the A.C.W. of St. Johns Anglican Church in Schreiber's Legion Hall.

The hall was suitably decorated for the event with a Christmas Tree, Christmas table cloths and serviettes at the tea tables which were also centered with a Christmas centerpiece.

Large tables were fully stocked with colourful knitted goods, crocheting, and various other items. The craft tables showed the many talents of those who had made the beautiful decorations, and craft items.

The bake table also was well stocked with many varieties of

baking, puddings, candies, etc.

The raffle tables also displayed the talents of those who had contributed them.

To give the customers a chance to socialize and enjoy the talents of the kitchen, a delicious luncheon of turkey patties, jellied salad, cole slaw and potato salad and cakes and squares with tea and coffee was served by the many servitors.

Rather than miss someone who had worked, a sincere vote of thanks is extended to all the women of the A.C.W. who had worked so hard all day and those who had helped and donated in any way, which made this event so successful, plus a beautiful day, more like summer than

Christmas. A vote of thanks also to the various men who helped us in any way.

The raffles were won by the following people :

Door Prize: 1st : Mrs. G. Salessé

2nd: Judy Imbeault

Fairisle Wool Sweater: Mrs. C. King

Train: Mr. J. Parker

Carriage and Doll : Mrs. Helen LeBlanc

The two Christmas Cakes will be drawn on December 22, and tickets are available till that time from the members of the A.C.W.

Senior girls of the Church had goods for sale. We thank them for their effort and assistance.

## Schreiber Council Notes

November 13

### Recycling newsprint

Representatives of Environmental Awareness Group Encouraging Recycling talked to council members about recycling newsprint. A major concern for E.A.G.E.R. is the collection and storage of newspapers before shipment to a recycling facility.

The group also talked about a home composting program subsidized through the Ministry of the Environment.

The council was informed that a representative of MOE would be available to meet with both Terrace Bay and Schreiber councils on Monday, Nov. 26 at

7 p.m. to discuss current available funding for recycling enterprises.

### Temporary doctor for Schreiber

Council was informed that a second doctor for Schreiber would arrive on January 26. The doctor, a locum supplied by the Underserved Area program, will stay for a period of three months.

It will be necessary to obtain an apartment in Terrace Bay for the doctor until more permanent arrangements can be made. The cost will be supported by the Underserved Areas program.
