

Carols for Christmas

The Community Choir performed in its first concert since being reformed during the Christmas Concert held at the Schreiber Campus of The Lake Superior High School on Tuesday, Dec. 11. The North Shore Community Band, the School Choir, the School Band, the Grade 9 Music Class and the Grade 10 Music Class also took part in the evening. All of the music was under the direction of Howard Alexander.

Festive R.I.D.E.

The number of fatal accidents involving alcohol investigated by the OPP has dropped from 51 percent in 1984 to 40 per cent in 1989. While these figures are encouraging, the need for education and enforcement remains. More than 150 people have died in alcohol-related accidents this year.

Police credit the persistent efforts of community groups such as People to Reduce Impaired Driving Everywhere (P.R.I.D.E.) and Ontario Students Against Impaired Driving (O.S.A.I.D.) with helping to lessen the number of impaired drivers on Ontario roadways.

Education and enforcement go hand-in-hand in the endeavour to stop people who have consumed

alcohol from getting behind the wheel.

The Ontario Provincial Police urges you to support the R.I.D.E. Program and the groups which attempt to combat drinking and driving. There is a need to strengthen the campaign during the month of December, a period when more people attempt to drive after drinking.

Get involved! Share your ideas. Help your neighbour and local police find ways to prevent drinking and driving.

By working together we can make this a safe and happy holiday season.

Schreiber Curling Club

Back on the ice

by Chris Hurson

The Schreiber Curling club is once more in operation after being closed last season.

Financial problems caused by a declining membership and a number of mechanical problems forced last years executive to make the decision not to operate

during the 1989/90 season.

The 1989/90 executive concentrated it's efforts on fund raising to pay off the club's outstanding debts.

This years executive got started early raising funds and with the help of local tradesmen got the artificial ice plant back in operation and the building back in shape.

It has meant a lot of hard work for all involved and we are very pleased to once again offer curling to local residents.

This years bonspiel dates are as follows:

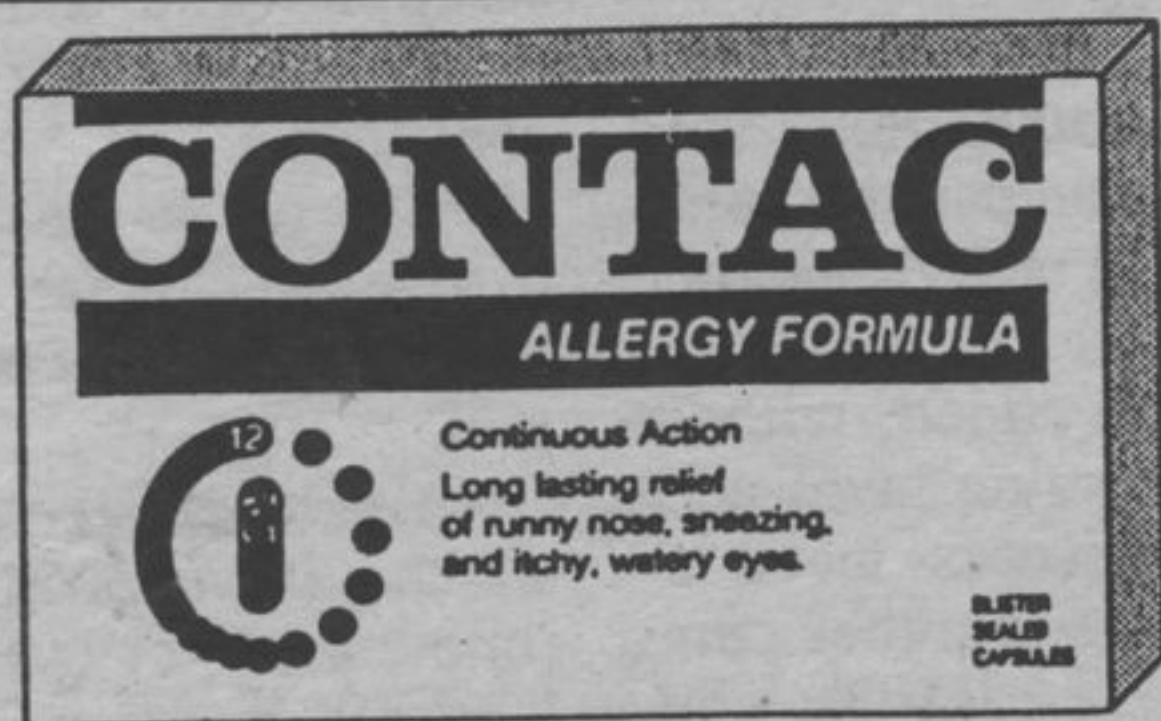

Womens - January 24-27th - maximum 32 rinks, \$121/rink Contact Roseanne Commisso at 824-2290.

Men's - January 24-27th - maximum 32 rinks, \$120/rink Contact John Desjardin at 824-2461 or John reddins at 824-3488

Mixed (Mini McCuaig) March 14-17th 32 rinks/\$120 rink Contact Audrey Morgan at 824-2603 or Betty Huard at 824-2869 after 5 p.m.

Our men's bonspiel has been named the Geoff Birch Memorial Bonspiel in honour of Godfrey Birch a long time curler and supporter of the Schreiber Club.

Thank you to all who have supported us in any way, your efforts are greatly appreciated.
