He prayed to God, "Lord, they won't let me in, you look on the inside of man's heart not on the colour of his skin. We are supposed to be brothers in Christ."

The Lord replied, "Stop all this commotion. I've been trying to get in there myself for years and

they won't let me in."

The greatest gift a human being could receive this Christmas is the Lord Jesus Christ. Let him into your heart. Merry Christmas and a Happy New Year.

MCCRIDE - In loving memory of **NOVA MCCRIDE** who passed away **DECEMBER 23, 1985.**

Please God forgive a silent tear
A constant wish that she was here
Others were taken, yes we know
But she was ours and we loved her so.
She bid no one a last farewell
Nor even said goodbye
She was gone before we knew it
and only God knows why.
If all the world were ours to give
We'd give it, yes and more
to see the face of the one we loved
Come Smiling through the door.
Please God just take a message
to her in Heaven above
Tell her how much we miss her,
and give her all our love.
Lovingly remembered by
Ron, Ronnie, Geraldine

Canada's Green Plan is the new environmental action plan for the whole country. It's about the commitments *we need to make now*, for our own good and the good of our children. Righting environmental wrongs is part of the Plan.

protection measures. And it supports extensive scientific study, education and cooperative efforts throughout Canada and around the world.

Through action and information, Canada's Green Plan sets out the means by which Canadians can curb air, water and land pollution, cut waste, and maintain a healthy environment

Things You Can Do Right Now

- Support organizations that work to protect and improve the environment in your community.
- Join — or start — a local recycling program.

INTRODUCING CANADA'S GREEN PLAN FOR A HEALTHY ENVIRONMENT.

Canada's Green Plan includes new programs and regulations, clear targets and schedules. And, most importantly, it includes all of us — governments, industry, and individuals — as "environmental citizens."

from which we'll all benefit.

What's in it for all of us. The Plan begins with major waterway clean-ups, new air and water quality standards, waste management programs and land

How to take part in the Plan. It's easy to obtain information on Canada's Green Plan and how to be part of it. To get a summary of the Plan, as well as general tips for everyone, just call the toll-free number or send in the coupon.
