

# Schreiber squash player to play in the 1991 Ontario Winter Games

by Rob Cotton  
The News

Speed and agility are necessary to be a good squash player but according to Domenic Figliomeni of Schreiber, member of the Thunder Bay Junior Squash Team, endurance is the real key to success.

A squash match consists of at least three games and as many as five. A match lasts for over an hour and the players are constantly on the move.

## Squash is a fast game

"It is a fast game," Figliomeni said, "the ball is moving very quickly."

As member of the junior team Figliomeni, 14, will be taking part in the Ontario Winter Games to be held in

Barrie, March 5-10.

He has been playing squash for about year and a half. His road to a place on the team began when he won the first tournament he entered, the Junior Division Championship at the Fresh Air Hit It tournament held in Thunder Bay last year.

Because of this win Figliomeni was offered the opportunity to try-out for the Ontario Winter Games Junior Squash Team.

In a tournament that would determine the teams players, he lost a deciding match between himself and another player.

However, the skill levels of both players was so close a rematch was held. Figliomeni took that match, winning three of the five games and secured his place on the team.

Gerry Mikalauskas of Schreiber is working with Figliomeni to hone his skills and prepare him for the games.

His father, Joe Figliomeni, has also been helping him train.

## Training is important

Figliomeni is on the squash courts at the Terrace Bay Recreation Centre two to three nights a week.

He is also taking part, with the team, in other tournaments as part of his training and to gain experience in tournament play.

He will be going to one in Thunder Bay on January 25 and in February the he and the team will be in Winnipeg to compete against the Winnipeg Junior Team.

## Light the Christmas Tree

The Star was lit this year by U.P.I.U. Local 665 who donated \$1600 to the project. Above: Chris Ray, Treasurer of the local and Sylvia McCulloch, chief radiological technologist at McCausland Hospital just after they lit the star. A total of \$4,500 was raised. The money will be used towards the purchase of a new X-Ray machine for the hospital.

## 40th anniversary for March of Dimes

This year marks the 40th anniversary of the Ontario March of Dimes, a not-for-profit organization that assists adults with physical disabilities. The annual Winter Fund Raising Campaign which runs from January 2nd to February 15th, 1991.

The March of Dimes' Thunder Bay region, which includes the counties of Kenora, Rainy River and Thunder Bay, will undertake community campaigns to raise a goal of \$19,000.

Forty years ago, a group of "Marching Mothers" took to the streets to raise money in hopes of funding a cure for polio.

Today, thousands of volunteers in 300 communities across Ontario volunteer their time to raise money in support of adults with

physical disabilities.

Money raised in the 1991 campaign will support the March of Dimes' three major services which include: Independent Living Assistance, Employment Services and Assistive devices.

The 1991 Fund Raising Campaign which provides support to all disabled adults in Ontario, has set the highest goal of the campaign to date. With the assistance of dedicated volunteers across the province, they will work towards a provincial Community Campaign goal of \$589,000 and an Annual Fund Raising goal of 42.4 million.

Help us celebrate 40 years of accomplishment. Give us the ability to do more!

## Training programs to be offered in Marathon

The North Shore of Superior Training Programs are offering two programs for employee upgrading starting in 1991.

An 80 hour Part-time Basic Welding Program will be starting Jan 26 in Marathon, at the High School, to provide an Introductory Skill Development Course. Ten seats for this course will be offered, and a waiting list will be created as needed.

A 60 Hour Basic Electronics Program will be offered starting Feb 2 in Marathon at the High School. This program is the first module of a 360 hour program but will be delivered on a part-time basis on Saturdays for 6 hours per week.

Completion date will be April 20, 1991 for this first module. Module Two of the Program is planned to be

offered in the fall of 1991.

The Basic Program is open to employed persons for skill upgrading and will cover DC/AC Theory with a combination of theory and lab work to reinforce the practical applications of the subject matter.

Ten seats are available in this program. For applications contact the Training Program Office in Marathon, 229-1517.

McBride - In loving memory of Casey who passed away Jan 19, 1988.

Every day in some small way  
Memories of you, come our way,  
Unseen, unheard, you're always  
here.

Still loved, still missed and very  
dear

As long as we live, we shall  
cherish your name  
In memory we see you, ever the  
same

Still in our hearts, you are living  
yet,

For we loved you too dearly to  
ever forget.

Sadly missed and lovingly  
remembered by Lil

## IT'S A GIRL

Vince and Bernadette Maronese are  
pleased to announce the birth  
of their daughter,  
Lisa Marie,

born Dec. 15, 1990 at P.A.G.H.

weighing 6lbs 14oz. Proud grandparents  
are Mr. and Mrs. Severino Maronese  
of Thunder Bay and Mr. and Mrs. Dudley  
Cardiff of Schreiber.

## The Ontario Federation of Snowmobile Clubs

Reminds you to stick to the Trail  
Every year, in Ontario, people are hurt and killed  
because they snowmobile on unsafe ice or ride  
on highways.

The Ontario Federation of  
Snowmobile Clubs  
urges you to

**STICK TO THE TRAIL**

and have an enjoyable and safe  
snowmobiling season

## CONFEDERATION COLLEGE

Education That Works

Community Educational Programs is now offering  
in Terrace Bay/Schreiber

### ZB 018 - WordPerfect 5.1

Course #1 Jan. 28-31st - 7 - 10 p.m. 12 hrs.

Fee: \$24.00

Course #2 Feb. 4-7th - 7 - 10 p.m. 12 hrs.

Fee: \$24.00

LOCATION: Lake Superior High School - Terrace Bay

INSTRUCTOR: Barb Hamilton

Limited to 12 students

### ZA 072 - LOTUS 1-2-3

Jan. 25 - 7 - 10 p.m. - Feb. 1st - 7 - 10 p.m. 18 hrs.
