

The lonely life of a downhill racer

It was a long slow run for the lighter competitors at the "Peel Off Winter " G-T Run but they all finished, even if they had to push their machines over the finish line.

Schreiber Peels off Winter with style

1991

All play and no work

The children of Schreiber Public School took the Carnival's motto, Don't be a Slouch Get of the Couch, to heart on Wednesday Feb 27, with a winter playday. A hot dog lunch was followed by some wild dancing at the sock hop and then everyone headed outdoors for team events like Bury the Captain or the Snow Slide as seen above.
