SERVING THE COMMUNITIES OF TERRACE BAY - SCHREIBER - ROSSPORT AND JACKFISH LAKE

Terrace Bay winter carnival Winter Storm begins this week

Yellow ribbons and Winter Storm buttons are becoming more visible as Terrace Bay prepares to kick off its Winter Storm Carnival this Thursday.

Opening ceremonies, including a presentation from the Figure Skating Club and the crowning of the Carnival Prince and Princess and a scavenger hunt, will take place in the arena starting at 6 p.m.

A bingo at the Moose Hall, will also be taking place Thursday at 6 p.m.

On Friday evening there's fun for all ages starting with a dance for pre-teens, up to grade 5, 7-11 p.m. at the Masonic Hall.

At 9 p.m. the Masonic Hall is turned over to a youth dance, Grade 6-8. Buses travelling on the school route will be provided for both dances.

For the adults on Friday night there is a casino night from 8 p.m. - 1 a.m. at the Legion.

Saturday is a full day of activities including a sliding party at the bottom half of the 'Drop', sleigh rides at Jackfish Lake, a

Chili contest and a barbeque at the golf course clubhouse.

A winter triathlon, including skating, snowshoeing and skiing, road hockey, a pool tournament, footsyball, a crib tournament and

skating races are all slated for Saturday.

Snow sculptures will be judged by the Horticultural Society on Saturday as well.

The Winter Storm dance will be held at the Moose Hall Saturday, 8 - 11 p.m.

Sunday will start off with a Carnival breakfast at the Moose Hall, 9 - 12 noon.

Cross-country ski events will

be held at the golf course starting at 10 a.m. Snowshoe races will also be held at the golf course starting at 10 a.m.

All golfers who have been itching to get back on the course will have the opportunity Sunday afternoon with a game of Snow Golf.

A children's matinee, free with a carnival button, will take place at the Towne Cinema at 2 p.m.

The final judging for the Scavenger Hunt will take place at 3 p.m. at the golf course clubhouse and at 5 p.m. the prizes for all events and the snow sculptures will be awarded.

Carnival buttons and programs are available at various locations in town.

Because of the number of winter events taking place at the golf course during the weekend it will be closed to snowmachines as will the drop.

The Winter Storm Carnival has been organized by the Downhill Ski Club with the support of many local organizations and businesses.

Blowing the snow and winter away
The Township of Terrace Bay's Public Works crew took advantage of the mild weather last week to remove ice and snow from the streets. The snow blower above is cleaning up Radisson Ave.

Dr. Mike McCausland and his wife Lois in 1970 at the tribute paid to him by the town for 25 years of service.

Dr. Mike McCausland, 80, dies in hospital named in his honor

by Rob Cotton
The News

Dr. Mike McCausland, Terrace Bay's first doctor, died in the hospital bearing his name on Tuesday, March 5, after a lengthy illness.

He was 80.

Dr. McCausland, a Canadian Navy veteran, arrived in May, 1946, to begin his duties as physician for the men constructing the Kimberly-Clark mill.

"He was a very humble small town physician but what he did in his day would make what modern graduates do seem pretty simple and benign," said Dr. Wilkes of Terrace Bay.

Dr. McCausland's first hospital facility was a

small frame building situated in the general area of the Moose Hall. It housed two cots and small woodburning stove.

He described it as "a strange building" because of the yearly additions that caused it to grow in the general direction of Jackfish.

Combining his medical knowledge and his resourcefulness Dr. Mike overcame many of the difficulties created by the conditions of the time.

He solved one problem, a leaking instrument sterilizer, by replacing it with his wife's pressure cooker.

As conditions for both work and living improved people settled in to Terrace Bay and families began to grow. Continued on page 2
