Terrace Bay-Schreiber Bantams win the Districts

The Terrace Bay-Schreiber Bantam hockey team finished off a winning season by beating Thunder Bay 3-2 in the final game of the District tournament.

The team finished the round-robin in first place with a .83 average, defeating Longlac 10-0 in the first game, Kenora 7-1 in the second game and tied Thunder Bay 3-3.

They then met and defeated the second place team, Thunder Bay, in the final game.

Coach Stan Spadoni said the team play was great in the Districts and throughout the year, from the goal tending up.

"The team could not have gone anywhere without goaltender Tim McParland - he was that exceptional," Spadoni said.

The playmaking of Claude Pelletier and Bobby Spadoni,

combined with the scoring punch of Doug Costa added a lot to the success of the team, he continued, as did the defensive leadership of Dwayne Courtemanche and the solid defensive play of Shane Papineau and Kyle Polesky.

"Hard checking by forwards, Rocco Crupi and Joey Clark added to the team's attack," he said.

The Bantam team picked up two players from Manitouwadge for the Districts and Spadoni said these players complemented the team.

Assistant coaches Trevor Mikus, Bert Logan and Jamie Speer, and manager Ron Fummerton worked with the team through out the season.

The team won four out of five tournaments during the season.

ATTENTION: HUNTERS, TRAPPERS, FISHERMEN AND ANYONE INTERESTED IN OUR FORESTS!

The Ministry of Natural Resources and James River-Marathon Ltd., are preparing a timber management plan to determine the use of the Big Pic Management Unit from 1992 to 1997.

On April 17th and 18th, we will be holding information centres to let you see and express your opinion on all proposed activities to date including harvest areas and proposed road locations. Times and locations are listed below.

We are still looking for background information for the area, including information on specific areas which may be important to you that will be affected by timber management activities.

Members of the Stakeholders Committee and Planning Team will be on hand to discuss our progress to date.
