

Community search found two lost Schreiber girls

Two Schreiber girls, aged 12 and 14, were found early Sunday morning, April 21, after an extensive search by members of the community and the Schreiber Detachment of the O.P.P.

Rhonda Larivee and Ashley Halonen had gone to Schreiber Beach Saturday afternoon for a picnic.

They were reported missing to the O.P.P. at 7:45 p.m. when they hadn't returned home for supper, said O.P.P. Constable Darren Rolland.

The fathers of the two children began the search at the Beach. Other members of the community soon joined in.

O.P.P. Constable Kajmowicz and his dog Kanuk were

brought in from Thunder Bay to take part in the search and arrangements were made to have a helicopter ready for the next morning in case the children were not found, said Rolland.

"At approximately 1:50 a.m. we were advised that the two children had been located at Twin Harbours, approximately four kilometers west of Schreiber on Lake Superior," said Constable Rolland.

Members of the Schreiber Volunteer Fire Department took part in the search and provided flashlights and radios for some of the searchers.

"The volunteer searchers did an excellent job," said Constable Rolland.
