

Education is for Life

Continued from page 1

Visintin and Mrs. Turcotte explained the Education Week logo, Education For Life.

The week's activities included a Book Fair, science exhibits, a Colour Day when each class wore a different colour, a Dress Up day and a Hat day. On Friday the Grades 7 and 8 hosted a tea in the gym. There was also an oral speaking presentation and an open house for parents.

Schreiber Public School

At Schreiber Public School the week began with a Reading Fair and displays of students

work. The school choir attended the Lake Superior Board of Education Elementary School Music Festival at the Marathon Public School.

There was an electives afternoon that involved students in various workshops from Chinese cooking to origami -the Japanese art of paper folding.

The week ended with an Enviro Club Dance with the proceeds going to assist the club in becoming guardians of the Rain Forest by purchasing acres of Rain Forest through the World Wildlife Fund.

Puppet collection donated to LSBE

Rita McBride presents one of the puppets from collection of the late Margaret Twoomey, former director of the LSBE, to the Kindergarten class of the Terrace Bay Public School. Terrace Bay Trustees, Joan Nugent and Jon Ferguson, joined McBride in the presentation. Twoomey, an avid collector, was director of education for about eight years. She left her collection of puppets to the board who decided to share them among the schools.

A newspaper scavenger hunt at Terrace Bay P.S. had children quickly finding specific information in a newspaper. The students looked for items such as an event in the Middle East, sports scores, and a headline that couldn't be taken literally.

TOWNSHIP OF SCHREIBER

PROCLAMATION CANADA HEALTH AUXILLARY WEEK

In recognition of the contribution made by all volunteer health organizations, who help to provide quality health care for our communities, I hereby proclaim the week of **May 12 to 18**, as "**CANADA HEALTH AUXILLARY WEEK**", and urge everyone to take an interest in the work of volunteer organizations in our community who help to provide a healthy environment for all.
