

Oliver - worth another look

Stacy Jewell as Fagin

The quality of the make-up work done by Patti Quinton, Jeff Mikus and Allyson Withers on all of the characters was evident throughout the whole show and certainly added to the illusion that is theatre.

Will Oliver ever find out where he belongs?

Fagin, Stacy Jewell, and The Artful Dodger, Sal Filane, protect Oliver, Shawn Filane, from the menacing villain Bill Sykes, Allyson Withers, while a concerned Nancy, Sian MacKay looks on. Whether they are protecting Oliver for his own good or for their own designs is the question.

Below: Supporting members of the cast join Oliver and Dodger in one of the many excellent musical numbers in the show. Many of the cast played dual characters. Other cast members: Derek Sitco, Suzanne Thibault, Jodie Saarinen, Jeff Mikus, Brenda Moffitt, Marcy Gallagher, Chantal Commisso, Keli Turpin, Anna Commisso, Patti Gould, Rosemary Pasqualino, Patti Quinton, Andrew CLark, Adam Hamilton, Ian Herculson, Jason Imbeault, Mike Larivee, Kyle Tychoniak.
