 passenger car. Are diving licences issued in the same way? Or can anyone who takes a few lessons plunge into danger, without special training or supervision? I have not been told a straight answer to that question by anyone who's called me about this situation.

Most of those who called me agree that some kind of public inquiry is needed, to settle the public controversy once and for all about the Gunilda. I am happy to hear from some of those who called that they are planning to write to the provincial government, or their elected representatives, seeking an inquiry. I hope the officials who receive those letters respond favorably, before any more lives are lost.

### Mischief

Sometime between January 13 - 14, 1991, unknown persons poured sugar or a similar type substance in the gas tank of a 1977 Ford Pick-up truck parked in the parking lot at 280 Kenogami Road, Terrace Bay, Ontario.

As a result of this the tank and gas lines had to be removed and flushed out.

Thanks to Dr. McGurk and staff of the Cancer Clinic, Dr. Wilkes and Dr. Rohani of the McCausland Hospital and to all who made Mike's brief stay in the hospital as comfortable as possible. Their compassion and understanding was greatly appreciated. Thanks to Holy Angels Church Choir and to King Funeral Home, also to the Chimo Senior Citizens and to the Master's Light prayer group members. Special thanks to Marion Henri and all the ladies for preparing and serving the luncheon and to everyone who sent such an abundance of food. This all helped so much in this difficult time. Thank you to all family, relatives and friends (many from out of town) who came to share in our sorrow and sadness. Thanks to everyone who sent Mass Cards, flowers, messages of sympathy and to those who made contributions to the Canadian Cancer Society, Easter Seals and the McCausland Hospital Building Fund. Your kindness and support will always be remembered.

*There will always be a  
 heartache  
 And often a silent tear  
 But always precious memories  
 Of the time when Mike was  
 here.*

### Michael

*Our hearts are full of  
 pride & thanks  
 To our heavenly Father  
 above  
 For sharing with us this  
 beautiful man  
 To teach us and guide us  
 with love.*

*His eyes were always  
 smiling and true  
 His arms with a hug he  
 would send  
 His words were kind,  
 caring & wise  
 For he was,  
 Our father - our friend.  
 He taught us to always  
 take time out to laugh  
 And to share that laugh-  
 ter with friends  
 For it's laughter that  
 always makes life  
 worthwhile  
 And unhappy hearts it  
 does mend.*

*But now it is time for him  
 to go home  
 And with gratitude and  
 love we will send  
 This man that's so special  
 and dear in our hearts  
 For he was,  
 Our father - our friend.*
