

Flame of Hope comes to Schreiber and Terrace Bay

by Rob Cotton
The News

Law enforcement officers from the Ministry of Natural Resources, Terrace Bay Police Services and the Schreiber Detachment of the Ontario Provincial Police ran in this year's Ontario Law Enforcement Torch Run in support of Special Olympics.

These runners joined with 120 other police and law enforcement agencies and 4,000 runners from across Ontario in this year's 6,000 kilometre run.

The Torch Run hopes to see a total exceeding \$500,000.

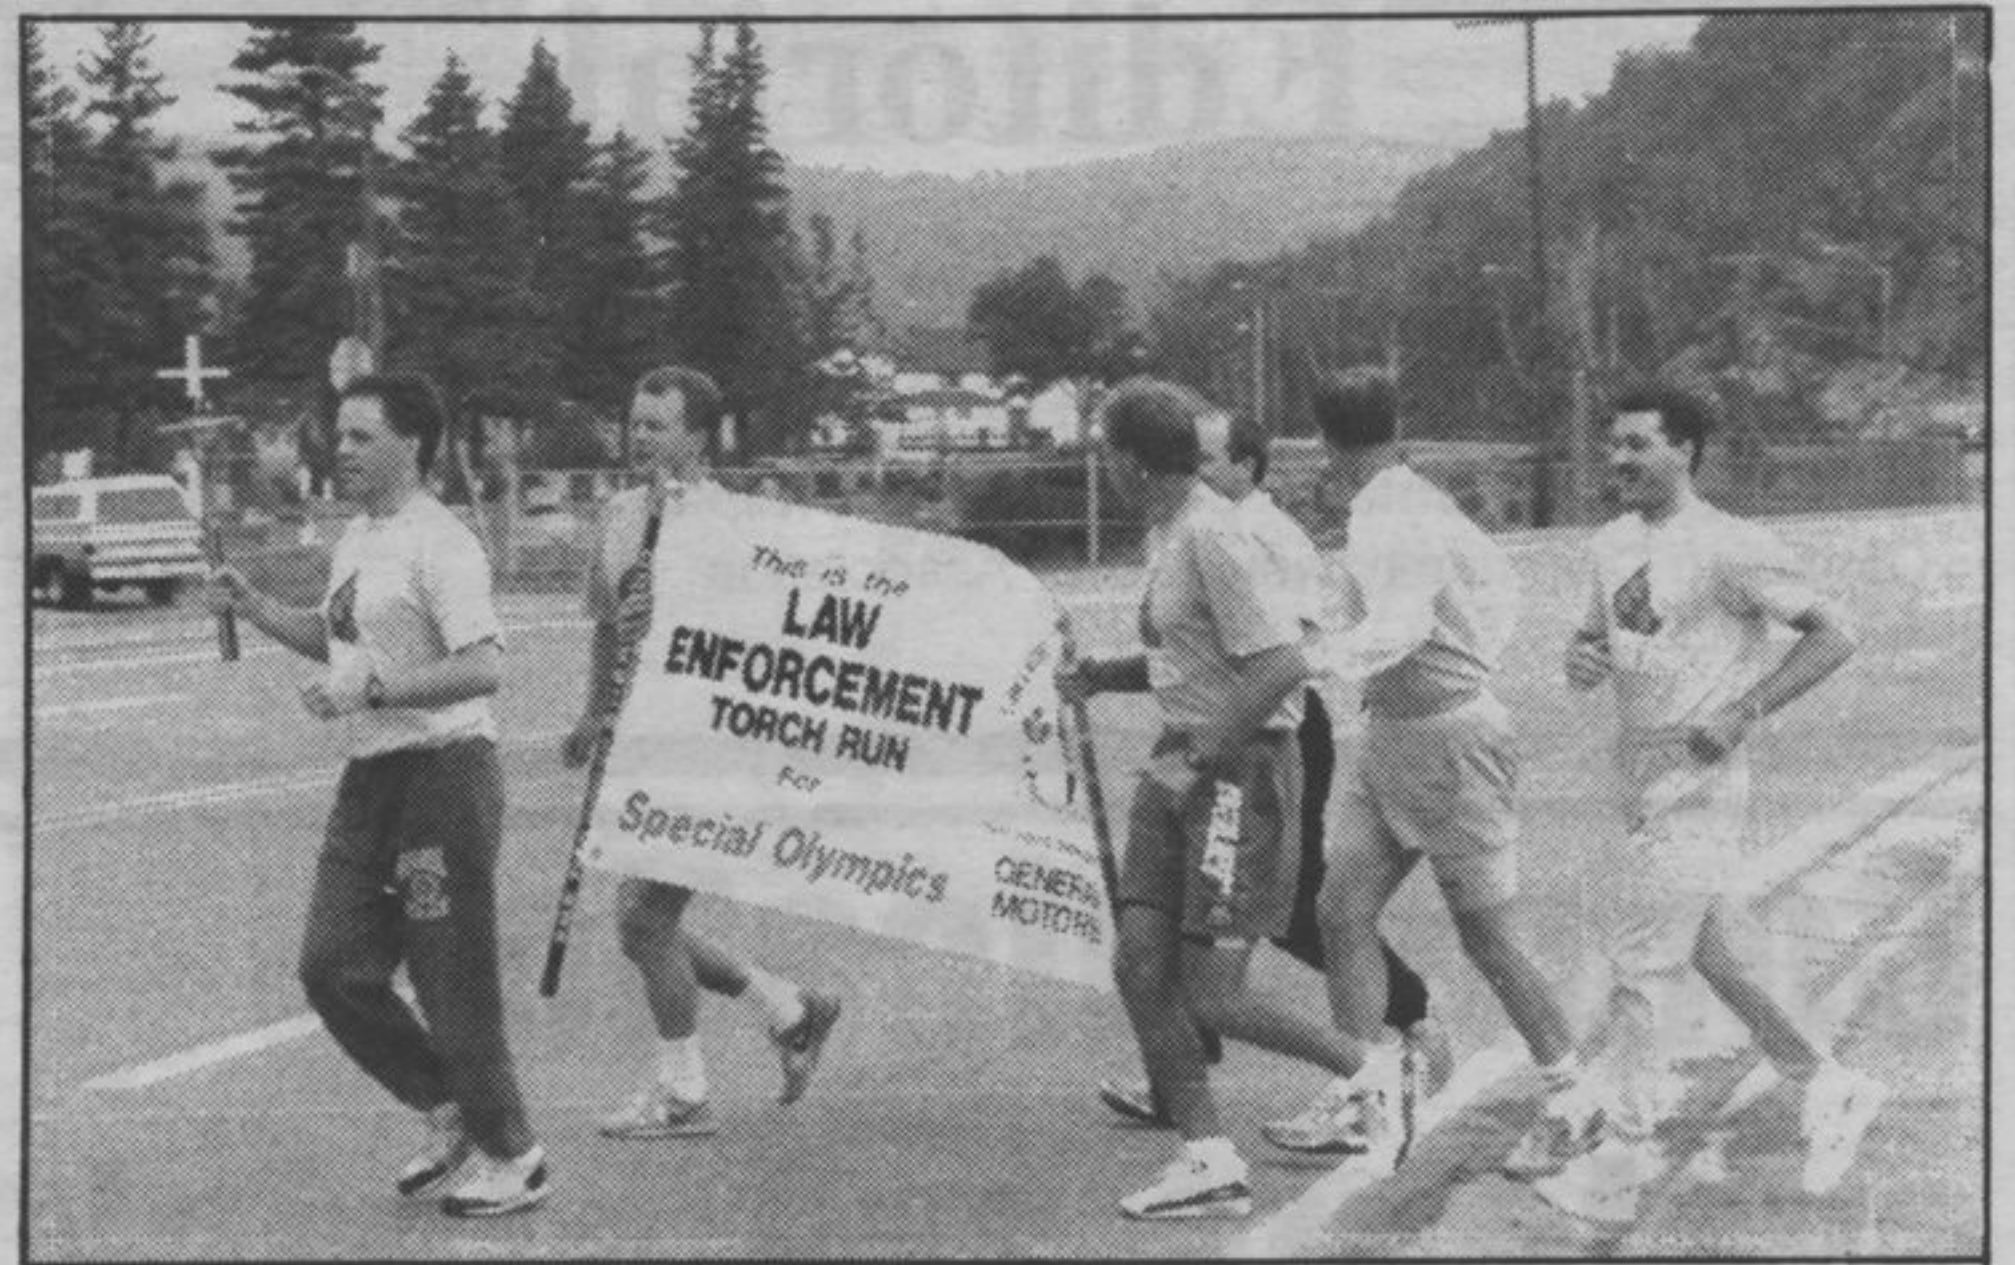

This was the fifth annual run in Ontario which takes place at the direction of the Ontario Association of Chiefs of Police. The run originated in Wichita, Kansas by Police Chief

Richard LaMunyon in 1981 and today is the largest fund raising project for Special Olympics in the world.

The run through Terrace Bay and Schreiber was part of the Northwest relay from Kenora to Marathon, one of eight separate relays which criss-crossed Ontario.

On July 25 the final leg of the run will see representatives from all law enforcement agencies run through Ottawa to the opening ceremonies of the Ontario Special Olympics Summer Games.

Special Olympics is an ongoing program of fitness, recreation and sport for people who are mentally handicapped. Today over 5,000 Ontario citizens who are mentally handicapped are participating in hundreds of programs across the province.

Members of the Schreiber Detachment of the OPP started their part of the relay at the station 10 a.m. Sunday, June 9.

Runners for the Terrace Bay Police Services and the Ministry of Natural Resources picked up the Torch for their run at 11 a.m. Sunday, June 9.

In Memoriam

In memoriam of Mary Edna Hubell who passed away June 20, 1990.

Two tired eyes are sleeping,
Two willing hands are still,
For the one who suffered far too much

Is resting in God's will,
We sat beside your bedside
Our hearts were crushed and sore,
We prayed to God to spare you
Till we couldn't do no more,
You suffered much in silence
Your spirit did not bend
You faced the pain with courage
Until the bitter end.

God saw you getting tired,
When a cure was not to be,
He wrapped His arms around you,
And whispered "Come to me,"
In tears we watched you dying
And watched you fade away,
And though our hearts were breaking

We knew you could not stay
If we could have a lifetime wish
And a dream that would come true
We would pray to God with all our hearts

For yesterday and you.
Sadly missed by her Family,
Friends and Neighbors.
