

Values, Influences and Peers Program graduates - Grade 6 class, Terrace Bay Public School

## Students graduate from V.I.P. Program

Grade 6 students in both Terrace Bay Public School and St. Martin School/Ecole St. Martin have recently graduated from the Values, Influences and Peers (VIP) program.

The VIP program's purpose is to establish positive attitudes in young people about themselves and the society they live in. It is a province wide program that is run locally by the schools in conjunction with police forces.

P.C. Krentz of the Terrace Bay Police Services, who helps instruct the course in both schools, said the program helps the children deal with situations they might run into the future.

"The use of discussion is one of the main methods used in the program," he said.

The discussion is based on a described situation, he explained, and the children are then asked what the result should be.

"We then discuss how they can achieve that result."

"If the children do run into a situation the program has given them some experience with it and some ways of dealing with it," Krentz said.

The VIP program provides opportunities for students to:

- \* become aware of some of the basic values of Canadian society, specifically the set of values considered essential to the well being of the individual and the well being of society.

- \* learn to accept responsibility for their own actions

- \* understand that each person may be influenced by peer pressure

- \* become aware of the importance of self-respect and self-confidence in meeting the challenge of peer influence

- \* gain insights that will assist them in making choices when confronted with negative peer influences

- \* develop a respect for the rights of others and for the rule of law

This year students also went on a field trip to the criminal court in Marathon where they saw what takes place in a court of law.

## Explosives found in a Terrace Bay apartment

Explosives found in a Terrace Bay apartment caused the evacuation of 621 Strathcona Ave. and neighboring buildings on Sunday evening, June 8.

The Terrace Bay Police received information that a male individual had explosives stored in his residence while responding to another complaint, said P.C. Krentz of the Terrace Bay Police Service.

On checking the apartment officers found dynamite and blasting caps.

The Ontario Provincial

Police bomb squad from Thunder Bay was called in to remove the explosives. It was on their advice that the buildings were evacuated, Krentz said.

The OPP had removed the material by 1.30 a.m.

The individual will be charged with illegally possessing explosives and the possession of property obtained by crime, Krentz said.

The case is being investigated by P.C. McCracken and P.C. Trudeau.

IMAGINE A new spirit of giving

**In memory of our dear Mother and Grandmother, Jeannine Desrosiers, who passed away June 21, 1990.**

*Two tired eyes are sleeping,  
Two willing hands are still,  
For the one who suffered far too much*

*Is resting in God's will  
We sat beside your bedside  
Our hearts were crushed and sore.  
We prayed to God to spare you  
Till we couldn't do no more.  
You suffered much in silence  
Your spirit did not bend  
You faced the pain with courage  
Until the bitter end.*

*God saw you getting tired,  
When a cure was not to be,  
He wrapped His arms around you,  
And whispered "Come to me,"  
In tears we watched you dying  
And watched you fade away,  
And though our hearts were breaking*

*We knew you could not stay  
If we could have a lifetime wish  
And a dream that would come true  
We would pray to God with all our hearts  
For yesterday and you.*

**Sadly missed and forever loved by Curtis, Adele, Louise, Denyse and families.**
