"I once mislaid my government pension cheque and did that ever shake me up."

"Now, with Direct Deposit, my pension goes right into my account every month. Automatically."

Convenience, security and reliability. That's what Direct Deposit will mean to people who receive pensions or allowances from Health and Welfare Canada and Veterans Affairs Canada.

Direct Deposit makes a lot of sense. With Direct Deposit, your government payment is deposited automatically, right into your account. Direct Deposit means an end to irritations like delays or misplaced or stolen paper cheques.

The choice is yours. Direct Deposit is voluntary. Information and application forms are available at most financial institutions or at your nearest Veterans Affairs Canada office or Health and Welfare Canada pension office. Find out more. Then sign up and enjoy the benefits.
