

**The Corporation
of the Township
of Terrace Bay**

Police Services Board

A Police Services Board will soon be established by the Ontario Solicitor General to govern the Terrace Bay Police Service. This Board will consist of the Reeve, one other member of the Terrace Bay Council and three persons appointed by the Lieutenant Governor in Council.

Residents of Terrace Bay who are interested in serving on the Police Services Board may submit a letter of application to the undersigned. The letter should contain a brief summary of education and work experience. Information regarding duties and responsibilities may be obtained from the undersigned.

David C. Fulton
Clerk-Treasurer Administrator
Township of Terrace Bay
P.O. Box 40
Terrace Bay, Ontario

ferently in one part of Canada
from another."

In other words, it's a laissez-faire policy, not unlike the one followed by the late Chairman Mao Tse-tung during China's Cultural Revolution, where he called for "a thousand flowers to bloom" in local government structures.

So that's where Ottawa is coming from, as Canada defines this new relationship with aboriginal people. In the next installment, the last in this series, we'll describe the principles Queen's Park says it's going to follow, as self-government negotiations take place.

MyBlue Heaven: Steve Martin, Rick Moranis

Rating: 0 poor.....10 excellent

While this movie wasn't as funny as one would expect from the T.V. commercials, it was pleasant enough to pass an evening with.

Steve Martin is Vinnie, a small player in the Mob game until he agrees to testify against his bosses. The F.B.I. hide him in the Witness Relocation Program. Rick Moranis is Barney Coopersmith, the Fed who takes Vinnie to Fryberg and sets him up.

You'd think everything would sail smoothly now, right? Not so! Vinnie is a city slicker to the max and he can't handle life in a nice quiet, little town. He proceeds to keep himself very busy indeed.

He gets arrested; gets a newly single Barney to meet, and fall in love with, divorced assistant district attorney Hanna Stubs (Joan Cusak); starts up a crime ring; teaches Barney the Maranga; testifies in court; scams money that is meant for the little league team; gets Hanna mad at Barney and finally gets arrested again.

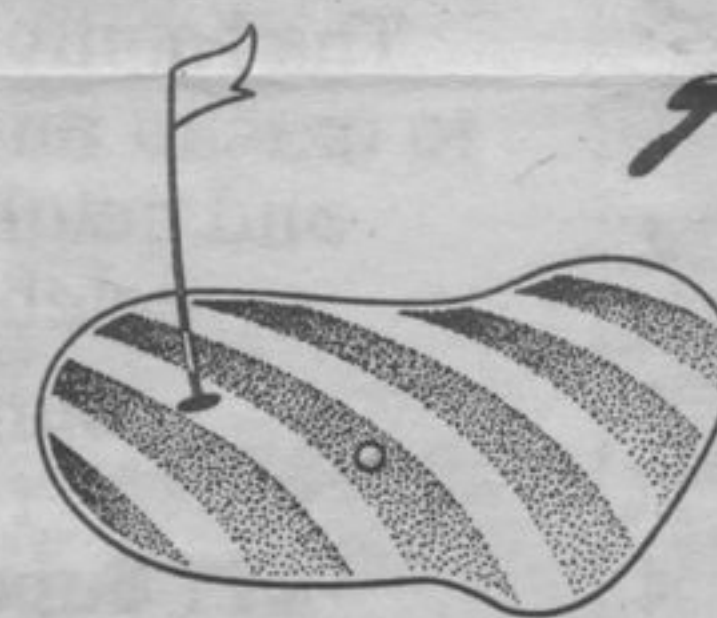

Does Vinnie got to prison or talk his way out of it? Do Hanna and Barney get back together? What happens to the Little League team now? All this is answered in the movie and I suggest you find it out.

This role is perfect for the flamboyant and slightly off-the-wall Martin and he plays it to the max. Rick Moranis does his usual nerd routine with perfection.

The supporting actors all give fine performances and even the smallest role is believable.

This movie was expertly cast (which is half the battle in a movie) and I think the theater audiences let a good one slip through their hands. If you missed it there, rent it. You'll be pleasantly surprised.

I give My Blue Heaven an 8.
