

Students to wash cars for Freddy the Fracture Finder

Students will be ready and waiting to wash any and all vehicles when the Canada Student Employment Centre sponsors a car wash this Thursday.

One half of the funds raised will go to McCausland Hospital's Freddy the Fracture Finder fund and the other half to the students.

The Student Employment Centre, which closes on August 9, has found 856 positions for students from Schreiber and Terrace Bay, said Jill Marcella, student placement officer.

"Last year we placed 98 and hopefully, within the next couple of weeks I will be able to find a couple of more jobs," she said.

Marcella said the employers have made very good use of the service.

"I find they are using the service more this year than they did last year. More casual work orders have come in and there has been a wide variety of jobs."

Fewer students used the service this year but Marcella said those that did use it came in to the office or called more often.

"They were more concerned this year," she said.

"Last year they registered but never really bothered to follow-up."

The car wash will take place at the Norwood Motel parking lot between 3 - 6 p.m.

A hard landing after a heroic effort

The Terrace Bay-Schreiber Soccer Association lost their second exhibition match to Marathon 3 -1 on Wednesday in Terrace Bay. They did beat Marathon 3 -2 in the first exhibition match played a few weeks ago in Marathon.

\$4 million in OPAP grants

The Ministry of Northern Development and Mines has approved 420 applications, representing \$4 million, for funding this year under the province's Ontario Prospectors Assistance Program (OPAP), Mines Minister Gilles Pouliot has announced.

"We have been impressed by the overwhelming interest in this year's program, with nearly 930 applications received," Pouliot said.

OPAP, which encourages and stimulates grassroots mineral exploration, provides grants of up to \$10,000 to qualified individuals carry out prospecting and grassroots exploration in Ontario.

A Little Local History

Did you know:

* On November 24, 1946, the first Terrace Bay News was published at the mill office.

* On October 22, 1947 the pulp logs went over the Aguasabon Falls for the first time.

* On June 8, 1948 the Lieutenant Governor of Ontario laid the mill cornerstone.

* Mr. And Mrs. Stan Hodgkiss were one of the first 10 families in the area. Mr. Hodgkiss still resides at 62 Laurier Avenue.
