REFLEXOLOGY is a natural  
 healing art based on the principle  
 that there are reflexes in the hands  
 & feet which correspond to every  
 part, gland, organ of the body.  
 Through application of pressure on  
 the reflexes, reflexology relieves tension,  
 improves circulation & promotes the natural  
 function of the related areas of the body.

**DONATIONS FOR**  
**DARLENE LAPORTE -**  
**LIVER TRANSPLANT**

*The Joy of Giving*

What a better gift to give someone than the gift of life. That someone requiring the gift of life is Darlene Laporte, daughter of Margaret and Eldon Laporte.

Darlene is presently waiting for a Liver Transplant from University Hospital in London, Ontario. She requires someone to be with her 24 hours a day while she waits at her home in Ottawa.

Expenses have been tremendous and will continue to be so, for Darlene's family, until her health is restored.

Donations for this worthy cause may be made to Rolie Harrison, Lynn Imhoff, Frances Luce or Judy Jean all of Nipigon, Ontario POT 2JO.

*Your generosity is greatly appreciated.*
