Schreiber Library archives in order

Archival material held by the Schreiber Library were sorted and organized this summer by Nancy Comisso.

These Archives hold much of the history of Schreiber in the form of photographs and other documents. It is hoped that the Archives can be opened to the public in the future.

If anyone would like to donate to the archives the Library would prefer two dimensional objects such as documents, photographs, negatives, books, maps, etc.

Nancy was hired with the assistance of the Ontario Ministry of Culture and Communications and the Human Resources Secretariat.

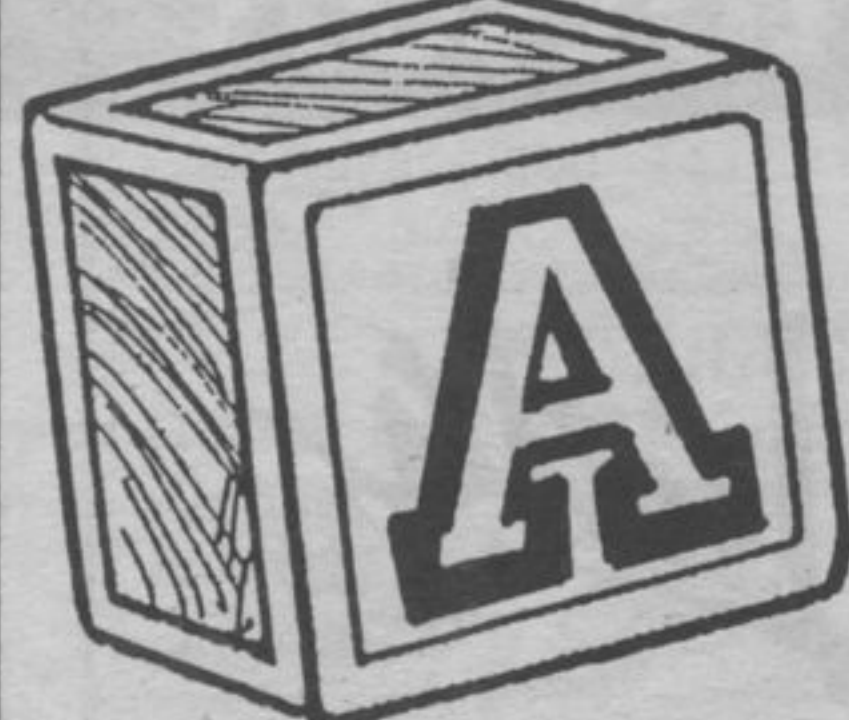

Another student, Anna Maria Comisso, worked at

the Library for six weeks working on marketing. The summer Story Time was action packed with swimming, books, a tour of the mine, games, read-a-thon etc. Anna Maria was hired with the assistance of Employment and Immigration Canada.

Over the Summer The Schreiber Library started a Talking Book Collection and a Video Collection. Videos may be taken out for a 48 hour period.

Following is a partial list of videos on hand: Bear Hugs Video, The Career Counselor and You, Feeling Yes, Feeling No, Alphabet and Numbers, Self Defense Made Easy, T'ai Chi for Health, Decorating, Golf, Swim Smarter, Swim Faster.
