

Discussions about beauty

The way the media distorts our idea of beauty will be one of the topics discussed during a community forum in Terrace Bay and Schreiber Oct. 7.

The forums are sponsored by the Northwestern Ontario Women's Health Information Network, and is part of the network's "Body Image" project.

The forums will examine consequences of trying to conform to society's image of what is beautiful. Issues such as anorexia and obsessive dieting will be discussed in this context.

The forums are aimed at anyone who wishes to better understand these issues. Parents, teenagers, and people who work with teenagers are especially encouraged to come.

The Schreiber forum is at 2 p.m. at the Schreiber Public Library, and the Terrace Bay forum gets under way at 7 p.m. in the Multi-purpose Room at the Terrace Bay Recreation Centre.

An Open Letter to All Canadians.

Tuesday, September 24, 1991

My fellow Canadians:

Today in the House of Commons, the Prime Minister is putting forward proposals to renew the Canadian federation.

The proposals are not fixed or final. They are a basis for discussion. Canadians are encouraged to debate them vigorously and openly and suggest how they can be improved so that every Canadian can feel welcome, understood and respected in our own land.

A Special Joint Committee of the House of Commons and Senate will seek the views of Canadians on these proposals. Please participate actively in the Committee's work. It's an opportunity to forge the kind of Canada that can best serve the interests of Canadians now and in the future.

The process of renewing the Canadian partnership will not be easy. Canada was born and built because previous generations understood that unity is the key to prosperity and that the keys to unity are tolerance, compromise and goodwill.

In difficult times, these characteristics are often in short supply but that is when we need them most.

Canadians have the opportunity as never before to create a Canada in which all Canadians can feel at home. Together, we have the opportunity to strengthen this country to make it more prosperous and more responsive to the aspirations of all its people.

I urge you to take part in renewing Canada. It's our country that's at stake.

The Right Honourable Joe Clark,
President of the Privy Council and
Minister Responsible for Constitutional Affairs.
