Director of Education

Community briefs by Darren MacDonald

**Moose
season
begins**

The 1991 moose hunting
season officially began on
Saturday in the Terrace Bay/
Schreiber region.

The Ministry of natural
resources issued 29,965 tags
this year, down 4.8 per cent
from 1990. The reduction in
the number of tags is
attributed to the increased

success rate of hunters, lead-
ing to the over harvesting of
bulls and cows.

The tag program was
introduced in 1983 to try
and increase the numbers of
adult moose by placing a
limit on the number killed
by hunters.

**'Shadow'
begins soon**

The Schreiber-Terrace Bay
Community futures organiza-
tion is once again contacting
employers to for their "Job

Shadowing" program, in which
senior students from Lake
Superior High 'shadow' some-
one as they work.

Last year, more than 250 job
placements were available to
the 67 grade 11 and 12 students
who participated.

"I chewed my nails all that
day," says Leslie Dickson, co-
ordinator of the program at the
Community Futures office.

"But everything went like
clockwork. Only two students
didn't make it to where they
were supposed to go, and that's
because they slept in."

The students are given a list
of questions they should ask
their 'shadow', and employers
are given a list of what the stu-
dent may want to know about
the job.

The program will be held on
Oct. 29 and 30.

**Bus for
Disabled**

A meeting of the Handi-transit
Advisory Committee has
been called for Oct. 23.

The committee will make
recommendations to the Ter-
race Bay and Schreiber Town
Councils concerning the
scheduling, routing, and fares
of the proposed bus for the dis-
abled.

Approximately 40 people in
the area would be able to use
the bus for things like hospital
visits, shopping and socializ-
ing.

Schreiber Town Council, on
behalf of both Terrace Bay and
Schreiber Town Councils, has
applied to the Ministry of
Transportation for a \$10,680
grant to help pay for the opera-
tion of the bus.

The Disability Action
Group, who first presented the
idea three years ago, had origi-
nally proposed buying a bus,
but it was decided to rent one
until the exact demand for the
bus is determined

The bus will be rented from
the Thunder Bay Home for the
Aged, who will also provide a
driver.

**Rap
committee
meeting**

The Jackfish Bay Remedial
Action Plan committee will
meet to discuss, among other
things, the Great Lakes Clean
Up Fund and The Blackbird
Creek Study.

The meeting will take place
Oct. 17 at 7 p.m. in the Recre-
ation room at Birchwood Ter-
race in Terrace Bay.
Everyone is welcome.

- Lake Superior High School Gymnasium**

NEVER AGAIN!

a War Amps video series

*"In a war, everyone suffers... we must never let it happen
again."*

The War Amps believes it has a responsibility to warn younger
generations about the true horrors of war. Who better to
recount the battles as they really happened than the veterans
who experienced war first-hand? The NEVER AGAIN! videos
provide historical accounts of Canada's participation in the
First and Second World Wars and Korea.

For more information about NEVER AGAIN! please contact:
