

## Minnova receives Crime Stoppers plaque

Rose Park, purchasing clerk at Minnova Mines, receives a plaque from Patrick Dingwell, Crime Stoppers Co-ordinator for the Schreiber-Terrace Bay area, and Chris Bannon, Liaison Officer from the Schreiber Detachment of the O.P.P. The plaque recognized the long-term financial support Minnova has given the local Crime Stoppers program.

## Clarification

Last week's story on the ore loading process in Schreiber may have been a bit confusing. The new loading process will take place entirely indoors, at the Minnova Mine site.

The ore concentrate will be brought into a designated building, weighed, put into sealed containers, and then shipped to the train station.

As mentioned in last week's article, the process is expected to begin early next month, having been delayed by technical glitches and bad weather.
