## Gorge dev. under budget

continued from page 1

"You should have a nice, completed project by the spring," he said.

Work has already begun installing the footings, and "should be completed before the frost sets in", said Moore.

The town has \$340,000 available for the Gorge Development, and the remaining \$51,000 could be used to improve the road leading to the gorge, or to clear brush areas that block the view of the gorge, Moore said.

The plan was approved by Terrace Bay Town Council at a special meeting last Friday.

Moore also discussed long-term development plans, such as extending the pedestrian walkways, creating a new sign

system to make it easier for tourists to find their way around, a boardwalk for the beach area, and a revamping of Centennial Park.

Moore suggested making the park "more visual," by adding flowers or a fountain.

"A place where a visitor knows he can go and stop," said Moore.

Work on the gorge is expected to continue throughout the winter months, and is scheduled to finish in the spring.

## Thank You

I would like to thank Dr. Rohani, nurses and staff of McCausland Hospital for the excellent care I received during my stay and the ambulance staff that transported me to and from Thunder Bay. Also, a special thanks to all that took the time to visit, phone, send flowers, cards, food and fruit while I was in the hospital and since my return home. Your kindness is greatly appreciated and won't be forgotten.
