#### Review of the Big Pic Management Unit Draft Timber Management Plan

The Ministry of Natural Resources and James River-Marathon Ltd. invite you to review the Draft Timber Management Plan for the Big Pic Management Unit.

This draft plan outlines the areas eligible for forest harvesting, regeneration, tending, protection and road construction during the 20-year plan period 1992-2012. The draft plan also identifies detailed proposals for forest harvesting, regeneration and maintenance, protection and road construction for the five-year period April 1, 1992 to March 31, 1997.

At this stage of the draft plan review, you are invited to:

- Review how your earlier submissions and comments regarding proposed operations have been considered in the draft;
- Study the Ministry of Natural Resources preliminary list of required alterations;
- Identify any new concerns or issues that may have been missed or for which there is new information; and
- Review the accompanying supplementary documentation (values and roads information).

The draft plan will be available for review and comments for a 30-day period beginning **Friday, November 8, 1991 to December 9, 1991**, during normal working hours at the Ministry of Natural Resources, Manitowadge Work Centre, Manitowadge Road, Manitowadge.

Anyone wishing to review the draft plan during evening hours may do so by appointment.

The approved Timber Management Plan will be available for inspection on **February 5, 1992**.

**NEVER  
AGAIN!**  
a War Amps video  
series

*"In a war, everyone  
suffers... we must never  
let it happen again."*

The War Amps believes it has a responsibility to warn younger generations about the true horrors of war. Who better to recount the battles as they really happened than the veterans who experienced war first-hand? The **NEVER AGAIN!** videos provide historical accounts of Canada's participation in the First and Second World Wars and Korea.
