## Municipal election recount

A recount in last month's municipal election has not changed the face of Terrace Bay Town Council.

Mary Cashmore requested that the returns be counted again, after the initial results indicated only seven votes separated her and Chris Joubert for the last spot on Council.

But when the votes were tallied again last Thursday morning at the Terrace Bay Municipal office, Cashmore was still out of council.

The recount only reduced Joubert's victory to five votes.

## Crime of the Week

We all rely on several types of communications to get through each day. Some use their radio for listening pleasure and some depend on various radio systems for survival. Without communications search and rescue operations would not be able to function.

Some time between Thursday September 13th and Tuesday September 18th 1990 persons unknown stole a large wooden spool containing six hundred feet of cable, and a 25 foot antenna. The items were located at a tower site near Manitouwadge located 400 kilometres north east of Thunder Bay.

The items are described as: Foam dielectric 7/8 inch heliax black cable on a 3 foot wooden spool. The spool is marked with "Shipped to CBC c/o Lakehead Freight-". The two items are valued in excess of \$13,000.00.

**Crime Stoppers will pay up to \$1,000.00** for information that leads to the arrest of the person(s) responsible for this crime.

Call **Crime Stoppers**, no charge, at **1-800-465-6844**, if you have any information regarding this crime.

## Dear Santa,

To Santa:

My name is Amanda McWatters and I am nine years old. It is very cold down here. It must be very cold up there. Can you give to the poor for me please?

Amanda McWatters

Dear Santa;

My brother and I have been pretty good this year. I go to school now.

For Christmas, I would like a typewriter, potato heads, captain planet, a train set, tool belt, and a cassette player. Brent wants a vacuum cleaner and a sonic flasher helicopter. We promise to share all the toys.

I will leave you some shortbread and a Pepsi.

Have a safe trip.

Love Erik Prager

Dear Santa,

I have been a very good girl and this year I have a new baby sitter. For Christmas, I would like you to get my baby sister, Madison, a new soother, a little pair of slippers, some clothes and a teething ring.

I would like some books with tapes, a Little Mermaid sleeping bag, an easel with some new paints, a sleeping beauty movie, a yo-yo, and a new bank that sorts the money.

I'll leave you some Santa Ju-Jubes and a glass of milk and some sugar for your reindeer on the kitchen table.

Don't forget to peek in on me when I'm sleeping.

Love, Whitney Wood,

Age 4

Dear Santa!

This year for Christmas my brother would like to have bubble the dog and, for me, I would like go-go my walking dog. We were very good this year. Thank you Santa!

Stephanie Blanchard, 6 years old

Dear Santa Claus,

My name is Cassandra. I would like: go-go my walking pup, a humongous panda bear, a glass unicorn (2), a horse for my barbie, pretty amethyst, a real puppy dog—a black lab, a unicorn poster, a barbie van, a Susie Snapshot, dancing pretty-ballerina, and my loose tooth to fall out.

Love

Cassandra LeClair

Dear Santa,

Thank-you for all the great gifts you brought for me last year. I have been good this year, but my mom says she has a different story about that.

This year I would like a typewriter, a Bear-foot Monster truck, a Race and Chase Road Race set and a Fun to Drive Dashboard.

My little brother can't talk yet, but he would like a Bubble Mower, construction vehicles and 4x4 vehicles. He really likes trucks.

Thank you.

Love, Jay and Mike Slavin

Dear Santa!

I have been a good boy. For Christmas I would like trucks, a Ninja Turtle Blimp, a Nintendo game, a colouring book, and markers. I will leave cookies for you and milk. Merry Christmas Santa.

From, Shawn Leblanc, age 6
