

# You Drink... You Drive... You Die!!!

When you drink and drive, you could be losing a lot more than your reflexes, your coordination and your good common sense. You could lose your life or cause someone else to lose his.

**Don't chance it.**

**It's Russian roulette!!!**

**It's a risk not worth taking!!!**

**It's your worst nightmare come true!!!**

**If you drink this Holiday Season, be sure you have a ride home.**

**PLEASE DON'T DRINK & DRIVE**

## REMEMBER...IF YOU DRINK DON'T DRIVE
