

"Kids helping kids" — students help out other children

Students at Terrace Bay and Schreiber Public schools have come through again this year for the Share the Wealth program.

Students were again charged with the task of bringing in donations for the Christmas charity.

"I would like to call it "Kids helping kids", said Share the

Wealth organizer Carol Cringle, addressing students in Schreiber on Dec. 6.

She also told the students that the youngest child to benefit from their help was one year old, while the oldest was 14 years old.

Share the Wealth is charity that prepares food baskets and toys for needy families.

MCBRIDE - In loving memory of NOVA MCBRIDE who passed away DECEMBER 23, 1985.

Please God forgive a silent tear
A constant wish that she was here
Others were taken, yes we know
But she was ours and we loved her so
She bid no one a last farewell
Nor even said goodbye
She was gone before we knew it
And only God knows why
If all the world were ours to give
We'd give it, yes and more
To see the face of the one we loved

Come smiling through the door
Please God just take a message
To her in Heaven above
Tell her how much we miss her
And give her all our love.

Lovingly remembered by
