The Lions Club in Terrace

Bay has given Birchwood Terrace a cheque for \$700. The money was used to purchase

new blinds for the Recreation Room at Birchwood Terrace.

In addition to the blinds,

Mike Gould, left, president of the Lions Club, hands Chris Joubert of Birchwood Terrace, a cheque for \$700, for the purchase of new blinds for the Recreation room.

other aspects of the room's renovation include stuccoed walls, a burgundy bar rest, newly painted doors and window frames and wood staining

"We've had our own resi-

dents involved in staining the wood," Joubert said.

The room is used by community groups, including the Lions Club, for things like meetings and banquets.

## Tell her again why it's "ok" that daddy's not paying his family support.

A lot of fathers\* in Ontario who are supposed to be paying family support, aren't. And it's time we got mad about it. Because they're hurting their kids — our kids — and they're hurting you and me.

It's not "ok" that over 80,000 kids are going without more than \$400 million in support payments.

It's not "ok" that three-quarters of all family support isn't being paid the way it should be.

It's not "ok" that over \$140 million of our tax dollars have gone to families who were forced to turn to social assistance because their support payments were not being made.

The Ontario Government's new Family Support Plan will introduce automatic wage deduction of sup-

port payments, and specify to whom and when they apply.

Because children shouldn't have to be told that daddy's not paying family support.

Please send me more information about automatic wage deduction in the new Family Support Plan Act.
