

What do these,

have to do with these?

Funds from lottery games are helping Ontarians enjoy sports.

Every time you play your favourite lottery, you're helping to provide financial support for sports and recreation activities. It's just one way lottery profits are used all across the province.

Here are some of the projects in your area that have received lottery funding:

Together we're making good things happen.

ethical problem with what they propose to do, being that it's not a proper archeological excavation or investigation. If one wants to bring it up, hose it off and dry it out and accept the results of that, it certainly will not look the same as it did on the bottom. If they carried it out in a more professional matter, it would cost them millions of dollars to stabilize a ship that size."

Plans to raise the Gunilda are also being questioned by the Rosspoint Islands Management Board, a citizen-run association advising the Ministry of Natural Resources on crown land issues on the Rosspoint Islands, the Gunilda's current resting place.

We'll tell you more about their position next week.
