

# MNR engineers lake trout comeback in Lake Superior

by Darren MacDonald  
*The News*

The Ministry of Natural Resources is in the middle of its annual stocking of Lake Superior with lake trout.

In all, the MNR will pump 300,000 lake trout into the North Shore from Heron Bay to Rosspport.

The MNR will stock inland lakes with brook trout after

they finish with Lake Superior.

The stocking program has arrested the decline in the trout population in the lake, a decline largely attributed to lamprey, a trout predator.

"People along the North Shore know what lamprey are," says MNR Conservation Officer Mike Kenny.

"They hate them."

Kenny says the lamprey population has been significantly reduced by the MNR in a separate program.

The two programs have been so successful that "you can take children out now and

## TERRACE BAY CANADA DAY YOUTH AWARD

The Canada Day Youth Award is designed to recognize and reinforce the outstanding achievements and contributions of young people to their communities and, by extension, to the betterment of Canada.

You or your organization may wish to nominate a candidate for this award. Potential recipients must be 18 years of age or younger and have made a contribution in one or more of the following areas:

### 1) Community Participation

involvement through an organization or an individual activity that has resulted in positive benefits to another individual, a group or to the community at large (for example: coaching, tutoring, assisting with activities for residents of a seniors' lodge; and working with children or home-bound individuals);

### 2) Promotion of Canadian Values

participation in activities that serve to broaden a sense of common national purpose and values and foster national unity (for example: programs to promote greater exchange - respect, co-operation and equality between groups of people; literacy awareness and advancement; the removal of barriers to disadvantaged people - such as physical, attitudinal, social or economic barriers and volunteerism);

### 3) Environmental Initiatives

involvement in activities to preserve and protect our environment and to increase awareness of environmental issues (for example: initiating recycling programs, organizing clean-up campaigns and implementing tree-planting initiatives).

You are invited to submit a nomination by completing and forwarding the attached form to Dean Main - Recreation Co-ordinator, P.O. Box 460, Terrace Bay, Ontario P0T 2W0

Nomination forms are available at Lake Superior High School, Terrace Bay Public School, St. Martin's School, Municipal Office and Terrace Bay Recreation Centre.

**Nomination Deadline is Friday, April 3rd, 1992.** Awards will be decided by the Ontario Canada Day Committee.
