

Co-op student could have went to Germany, but instead he's at *The News*

Marvin Fulton, pictured above drawing this week's cartoon, had a chance to go and play hockey in Germany this winter, but decided to put his trip on hold to save up some more money.

Instead, he's doing a co-op here at the newspaper. Germany's loss is our gain, as in addition to helping out with the computer work and printing photos, Marvin will also be doing cartoon work. The first of them is on page five of this week's paper.

Marvin also studies jazz piano, plays in the North Shore Community Band, and draws sketches.

To help you fill out your income tax return

Extended hours

From February 24 to April 30, we offer an "after hours" phone service from 5 p.m. to 9 p.m., Monday through Thursday.

You can also call T.I.P.S. Info-Tax, our automated phone service, 24 hours a day, 7 days a week, for recorded information on selected topics.

No-calculation returns

To make things easier, we've designed two simpler tax returns that don't have any calculations.

These optional returns are great for people with straightforward tax situations. If you're under 65, you can use the "Short." If you're 65 or over, the "65 Plus" is for you. Whatever return you use, you should fill out only one.

Make sure your return is not delayed

Lots of people fill out their tax return with great care, only to miss details that can make all the difference. For example, if your address is incomplete or incorrect, your refund could be delayed or sent to the wrong place.

If you will be moving, write the new address on your return, or if you don't know it yet, please call us to let us know as soon as you can so we can update your file.

Another important detail is attaching all the slips and receipts that support your claims for credits and deductions. If any are missing, your return may get held up while we contact you for the information.

We're making it easier.
