Classes start pending minimum registration. For more information, please contact Brigitte at 1-800-465-3364.

Physiotherapists at the McCausland Hospital marked National Physiotherapy Week last Thursday evening by setting up an obstacle course designed to simulate what it's like to move around while suffering from different physical impairments.

People who attended the open house, which was held at the Lake Superior High School gym in Terrace Bay, were asked to complete various tasks.

They included walking

APARTMENT FOR RENT

USA Girl

Campbell/Deschatelets

Dan and Renée are thrilled to announce the safe arrival of their daughter, **Danielle Jolene** born March 17, 1992 at Port Arthur General Hospital weighing 8 lbs, 8 oz. Proud grandparents are Noel and Aline Deschatelets of Terrace Bay and Jack and Patricia Campbell of Rossport.

with crutches with weights attached to their legs; maneuvering a wheelchair while keeping an egg balanced on a spoon; using a walker while their legs were restricted; and using a cane while wearing goggles that simulated tunnel vision.

After they had completed the course, the participants filled out a questionnaire which tested their knowledge of physiotherapy.
