that isn't suitable to leave about."

Research show that children between the ages of one and four are the most likely to have an accident at home. The most recent data from Statistics Canada (1987) shows that about half of the cases of poisoning reported occurred in children under five.

Some chemical products have been available for many years in containers that are tamper proof and won't spill or leak. The sealed aerosol can is one example. This type of container dispenses a small amount of product making it difficult to ingest a harmful quantity. And parents can now use aerosols without concern since the industry has removed ozone-damaging chlorofluorocarbon propellants from all consumer aerosol products.

More recent developments in safer products include child resistant caps on bottles of medicine or cleaners, and the use of Bitterex, a bittering agent that makes ingestion difficult for corrosive products.

## Novena to the Holy Spirit

Holy Spirit, you who make me see everything and show me the way to reach my ideals, give me the divine gift to forgive and forget them all who have done wrong to me. I, in short dialogue, want to thank you for everything and confirm once more that I never want to be separated from you no matter how great the material desires may be. I want to be with you and my beloved ones in our perpetual glory. Thanks for the favours granted.

A person may pray this prayer for three consecutive days without asking for his or her wish. After the third day, your wish will be granted no matter how difficult it may be. Promise to publish this dialogue as soon your favor has been granted - D.S.

## IN MEMORIAM

In Memory of Mom & Dad

Although we know you are resting

You have gently gone to sleep the memories of your love and lives forever we will keep.

A special place within our hearts

for memories old and new

This little tribute Mom & Dad especially for you.

It was so hard to say good-bye but we knew, we must let

you go

But we'll meet again in heaven

Someday, for sure we know.

Sadly missed Bill, Irene, Lorraine, Diane & Andy
