SERVING THE COMMUNITIES OF TERRACE BAY - SCHREIBER - ROSSPORT AND JACKFISH LAKE

Open control dam giving us a great view

Because of the recent heavy rains, Ontario Hydro has opened the Hayes Lake Control Dam, giving us this spectacular view from the Aguasabon gorge. Hydro expects the dam will be open for about a week. More on page 2.

Local recycling program extended

by Darren MacDonald
Staff

The Environmental Awareness Group Encouraging Recycling (EAGER) in Schreiber and Terrace Bay are expanding their recycling program on a trial basis.

A Thunder Bay company called Recycling Life has agreed to take all of the plastic, paper, cardboard and metal cans that EAGER can collect.

The group will have to find a

way to transport the material they collect to Thunder Bay, but EAGER's Brenda Cottrell says that could change.

"They may be willingly to pick it up themselves if we can show it's worth their while," she says.

"A successful yield will mean that we'll have a permanent recycling program in our area," says Lori Sim, EAGER from Schreiber.

The group came into contact

with Recycling Life when the company stopped in Terrace Bay during a can recycling day.

"They're considering (picking up recyclable material) from all the North Shore Communities," says Cottrell. "They've asked us to get in contact with groups in Marathon and Manitowadge."

Two problems still to be ironed out is where to store the materials once they collect it, and finding a way to transport

it to Thunder Bay.

The collection will take place at the curling rink parking lot in Terrace Bay and at a site still to be determined in Schreiber on Oct. 3, in conjunction with Waste Reduction Week, which runs from Sept. 27 to Oct. 4.

Food plastics should be washed, and plastics, cardboard, paper and cans should be separated before they are dropped off.
