Buying Or Selling A Used Vehicle? Here's What You Must Know.

Starting October 1, 1992, the Ontario retail sales tax you pay when you privately buy a used car, van or light truck, will be based on the purchase price or the average wholesale value, whichever is more. The average wholesale value is set using the Canadian Red Book, a well-known standard in the used vehicle business.

The tax is paid when you change the vehicle ownership at your local Driver and Vehicle Licence Issuing Office.

Some changes in ownership, such as gifts between certain family members, are tax-free with legal proof.

Starting April 1, 1993, if you want to sell your vehicle privately, you will have to buy a vehicle transfer package and give it to the buyer before the sale is completed. The package will be available at all Driver and Vehicle Licence Issuing Offices and from the Ministry of Consumer and Commercial Relations. Consumers will benefit from information

on the vehicle's history, outstanding debts on the vehicle and retail sales tax.

If you're planning to buy or sell a used vehicle privately and would like more information, call 1-800-263-7965. Telephone Device for the Deaf, call 1-800-263-7776.
