

THANK YOU

West - The family of the late LaVaughn West, who passed away suddenly on October 3rd, 1992, wish to thank Dr. Keith Wilkes and staff of the McCausland Hospital, Rev. Bob Elkin of St. John's Anglican Church and Beth McLean of the Community Church. Thank you to the Ladies of the Legion for providing the lovely tea after the memorial service. We would also like to thank all who sent cards, in memorials, flowers and food. Thank you all for your prayers and kindness.

Cathi, Bill, Angela & Amy
Jane & Gordon

Earning their

Girl Guide citizenship badges at last week's meeting of Terrace Bay Council were (front row, from left) Kim Papineau, 10, Kelly Ann Rochon, 11, and Amy Colbourne, 11. They watched (from left) acting Reeve John St. Amand and Councillors Bill Houston and Chris Joubert to learn about the workings of municipal government. The girls guides will also be canvassing door to door Hallowe'en in support of Unicef.

MOE survey

continued from page 1
closeness of the station to the Mill.

"It's one of the closest stations to a mill in all of Northwestern Ontario," he says.

MOE believes that the major source of odour at the mill is the spills pond, and Griffin says the ministry hopes to set up a mobile monitoring station next to the pond to make absolutely sure that it's the source of odour.

"There are times when the wind is so light that we're not sure whether the odour problem is originating at the spills pond or with the mill's stacks," he says. "We want to position the mobile station between the spills pond and the lagoon. That will determine whether the pond is the major source of odour or not."

Griffin says the existing monitoring stations are too far away to always distinguish the exact source of odours.

He also says that Kimberly-Clark has agreed to keep a log detailing when
