**Drug awareness week**

In conjunction with Drug Awareness Week, Kimberly-Clark Inc., along with other local businesses and community organizations, is bringing Eugene "Mercury" Morris to the communities of Terrace Bay and Schreiber as a guest speaker.

Mercury Morris was a running back for the Miami Dolphins during their famous 1972 season when the team was undefeated. Both Morris and teammate Larry Czonka earned spots in the NFL Hall of Fame record books by being the first running backs to achieve 1,000 yard seasons. His other achievements include the second longest kick return in NFL history, and back-to-back championship seasons.

In 1982, seven years after leaving professional football, Morris was arrested, tried and convicted on charges of conspiracy and trafficking in cocaine. As a result, he served three and a half years in prison.

On March 6, 1986, the Florida Supreme Court, by an overwhelming 5-1 decision, declared that Mercury Morris was not given a fair trial, since evidence that would have helped him prove his innocence was not permitted. He was released from prison a free man—free from the charges

brought against him and, more importantly, free from the drug abuse which plagued him after his football career ended.

Mercury Morris will be in the communities of Terrace Bay and Schreiber on Thursday, Nov. 19, to talk to the area's school children about how drugs affected his life. He will also be speaking to the general public at 8 pm, at Lake Superior High School, Terrace Bay Campus.

Admission to this community-sponsored event is free.

**Hallowe'en contest at the Moose Lodge**

Judges were Sgt. Andy Templar, from the Schreiber OPP, Const. Brian McCracken, from the Terrace Bay Police Services, and Morris Duffy, who is Fire Chief at Kimberly-Clark.

**Housing appointments**

Ontario Housing Minister Evelyn Gigantes has announced

the appointment of two Thunder Bay residents to the Thunder Bay District Housing Authority.

Arthur Wilkes and Linda Gambee, both community volunteers, will serve as provincial representatives on the 11-member authority which manages Ontario Housing Corporations (OHC) 1,591 assisted units in Thunder Bay, Nipigon, Nakina, Marathon, Upsala, Manitouwadge, Schreiber, Aroland, Geraldton and Longlac.

Local housing authorities carry out the day-to-day management of OHC's 84,000 housing units.

"Ontario's public housing benefits greatly from the generous contributions of time and talent offered by volunteers like Mr. Wilkes and Ms. Gambee," Ms. Gigantes said. "They ensure that the housing meets the needs of the many people it services."

The federal, provincial and municipal governments nominate people to serve on the housing authorities. Anyone in the community may apply.

"Interest in the community is an important factor in selecting authority members," Ms. Gigantes added. "We also look for members who reflect the diversity of local communities, making them the norm rather than the exception."

**CANADA'S FIREARMS AMNESTY**

**November 1 to 30, 1992**

Think gun safety. Make it count.

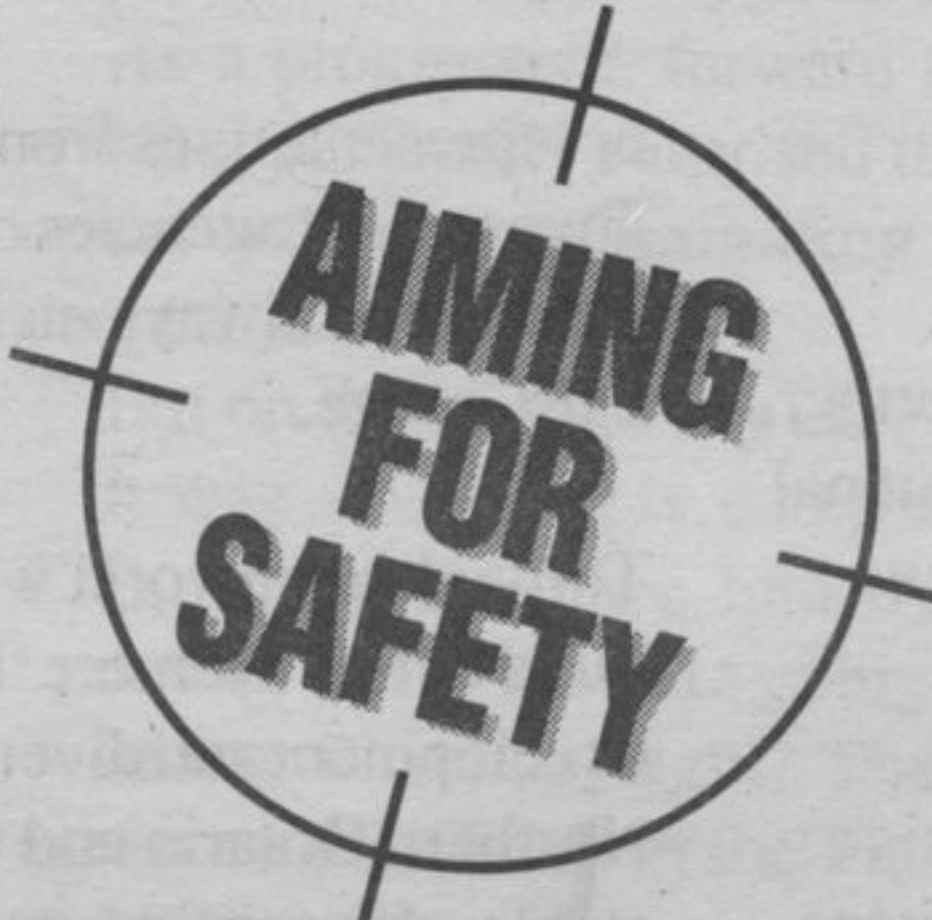

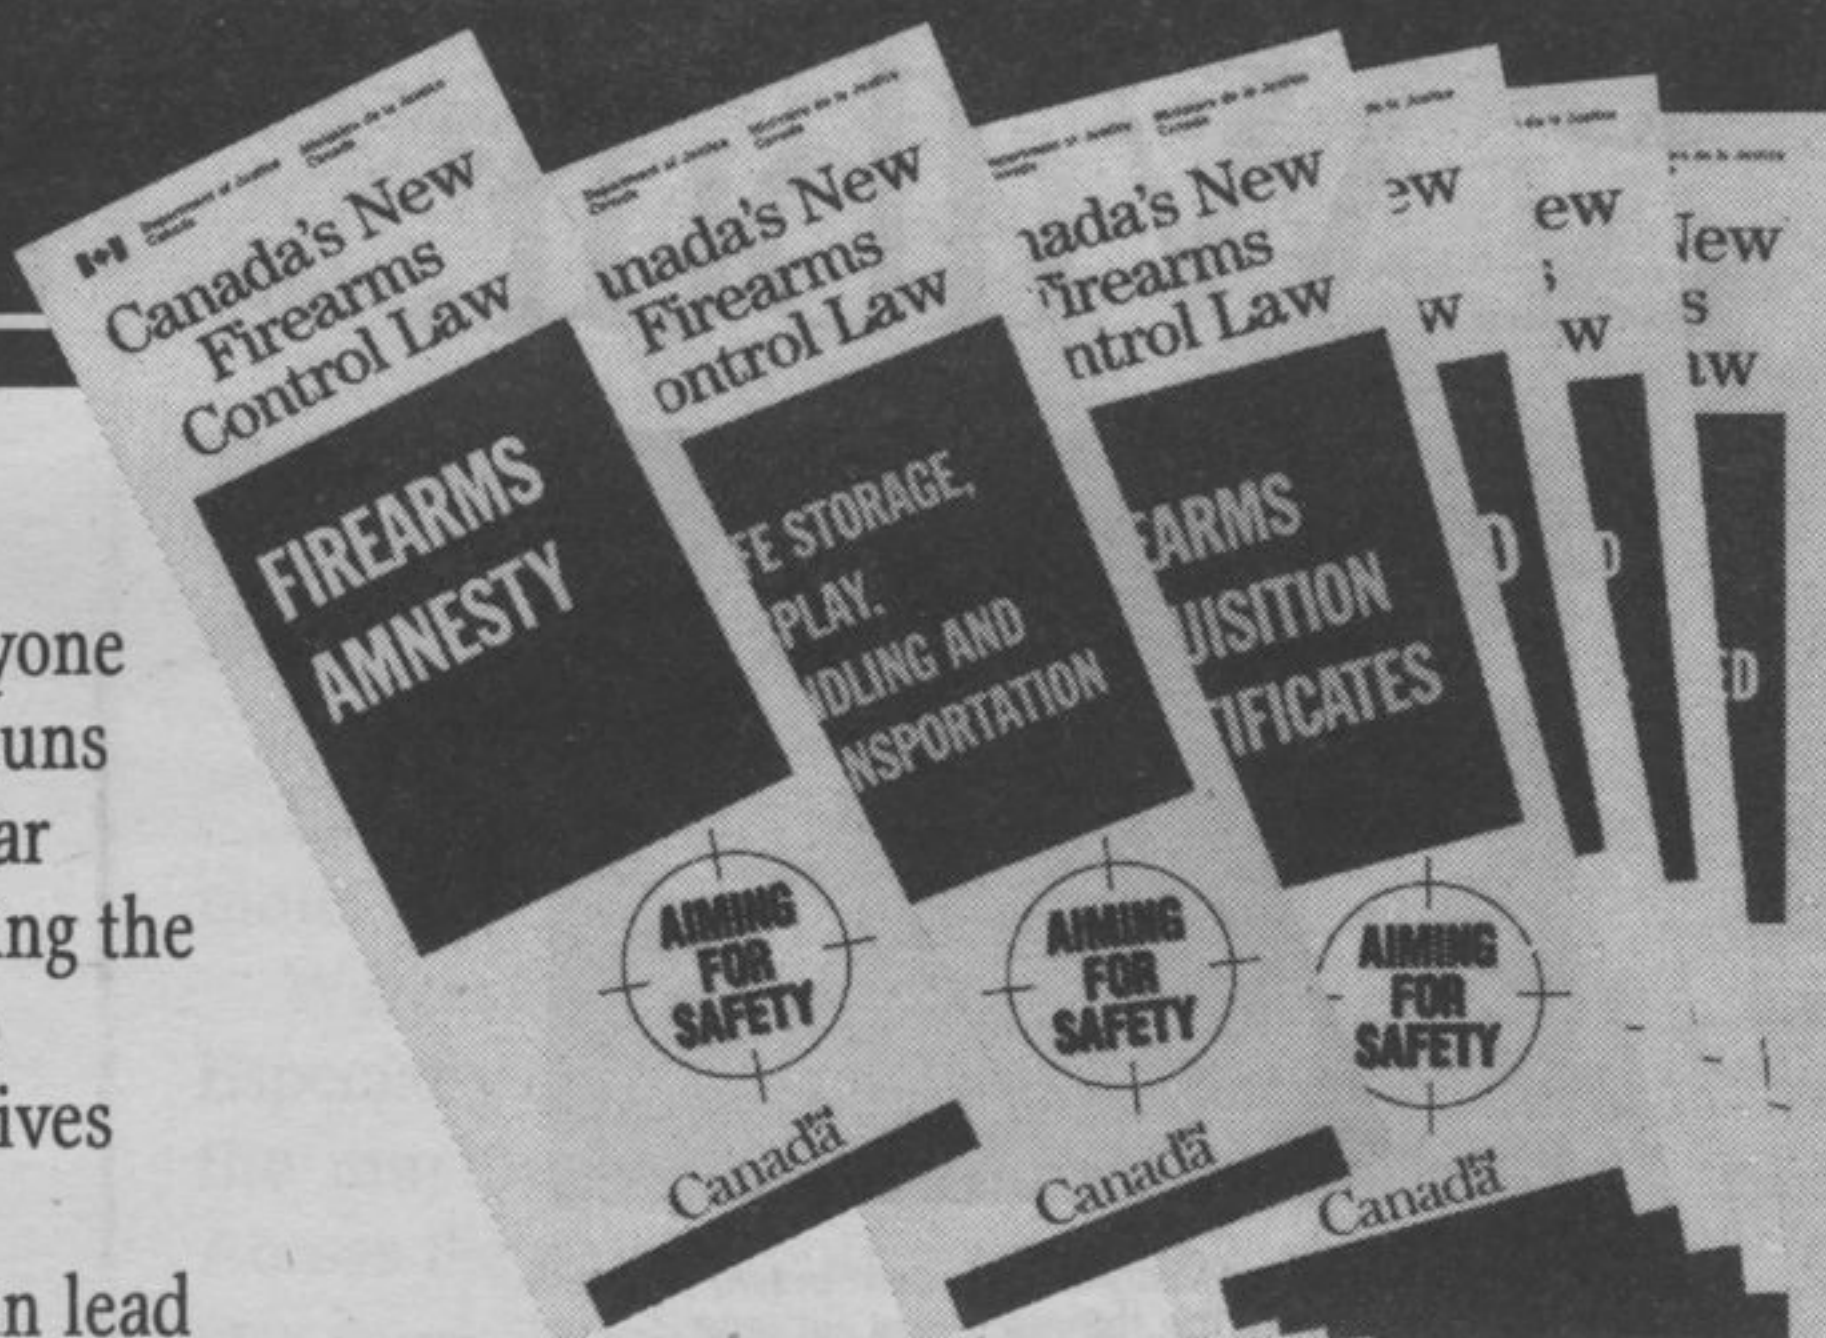

The new firearms control law gives everyone the chance to turn in unwanted or illegal guns and register restricted weapons without fear of prosecution for possession offences during the amnesty. The amnesty means you can also dispose of any prohibited weapons, explosives or ammunition.

Too often, forgotten or neglected guns can lead to a tragedy.

The amnesty is an ideal opportunity to get rid of weapons you no longer want.

Taking advantage of the amnesty is easy. Simply unload the gun and turn it over to your local police. If there is the slightest risk or if you have any questions, call your local police.

Make it happen for the safety of you and your family.

Find out more about the Firearms Acquisition Certificate, safe storage, restricted and prohibited weapons or other parts of the firearms law that concern you. Ask your local police for brochures.
