The Intrepid Snowmobiler

manufacturers have failed to address theft adequately in production. Where are the hood locks? The locking steering motion sensors? And why is it so easy to start a snowmobile by simply pulling ignition wires?

One enterprising after-market company reports that both Polaris and Arctic Cat have ignitions so generic that their sleds can be started by numerous keys. this company offers individually-keyed replacement ignitions that they say will remedy this problem and this is where your security plans should start if you own one of these makes.

This winter, my friend carries the full compliment of security devices. Between us we have more keys, locks and secret systems than the federal mint. No one is going to steal our beloved snowmobiles. On the other hand, if any keys are misplaced, no one is going to ride them either. Where do you find a good thief when your really need one?

Government to invest another \$3.8 million in Northern Ontario jobs

jobsOntarioCapital is investing a further \$3.8 million in job creation and economic renewal in Northern Ontario. Government Services Minister Fred Wilson made this

announcement Nov. 20.

This brings the total investment in projects administered by Government Services in the North to more than \$10 million, creating the equivalent of one year's employment for approximately 120 people in 14 Northern Ontario communities.

"This government is working hard to create jobs and support local economic renewal in communities across the North," said Wilson. "These projects will provide an immediate boost to construction employment and all will be completed over the next four months."

jobsOntarioCapital is a five year, \$2.3 billion initiative by the province to support jobs and economic restructuring, promote community and social progress and protect the environment

ST. JUDE

O Holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depths of my heart and humbly beg to whom God has come to my assistance. Help me in my present urgent petition, in return I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and Glorias. Publication must be promised. St. Jude pray for us and all who invoke your aid. This Novena has never been known to fail. This Novena must be said for nine consecutive days. M.P.
