**SANTA CLAUS  
IS COMING**

Every bottle of Bacardi Amber rum still begins the way it did over 130 years ago.

Down where palm trees sway and sugar cane is still cut by hand, every drop of Bacardi amber rum has its beginnings. Just as it was in 1862, molasses made from pure sugar cane is first fermented and distilled. Then it is aged in oak barrels, and expertly blended to attain that smooth, full flavour that could only be Bacardi amber rum.

**MCBRIDE - In loving memory of NOVA MCBRIDE who passed away DECEMBER 23, 1985.**

Please God forgive a silent tear  
A constant wish that she was here  
Others were taken, yes we know  
But she was ours and we loved her  
so

She bid no one a last farewell  
Nor even said goodbye  
She was gone before we knew it  
And only God knows why  
If all the world were ours to give  
We'd give it, yes and more  
To see the face of the one we loved  
Come smiling through the door  
Please God just take a message  
To her in Heaven above  
Tell her how much we miss her  
And give her all our love

Lovingly remembered by Ron,  
Ronnie, Geraldine & Families
