## ONE SHOT CAN END A LIFETIME

Call it a shot...  
A toss...  
A Throw...

**play it safe** **Don't Drink & Drive.**

The fact is even one drink of alcohol can impair your good judgment when you get behind the wheel.

As any pro will tell you, when you're not in top form you can wind up losing--your license--your livelihood, or worse yet, your life.

You can even destroy somebody else's chances too.

This holiday season we urge you to call the shots when it comes to drunk driving.

**DON'T DRINK AND DRIVE,**

and be a team player by watching out for the other guy.
