

Nominations wanted for Citizen of the Year

Take a few moments to think about that special person who always seems to be involved in making our community a better place to live. This is your opportunity to recognize that person by nominating him or her as Acton Citizen of the Year.

The nomination should consist of the name (and phone number if possible) of the person you wish to nominate and the reasons why you

have selected this person. There are no real rules of selection, just that the nominee should be someone who you feel has made a difference in our community.

Over the years, there have been hundreds of very worthy citizens nominated for this award, but only one is chosen each year. The Acton Rotary Club asks past recipients of this honourable award to judge the nominations so every year there are

three different judges with different community involvement and perspectives. If the person you have nominated in previous years was not selected, nominate them again!

The 2002 Citizen of the Year nominations should be sent to the Acton Rotary Club, Box 22, Acton L7J 2M2 or dropped off at Halton Hills Furniture. All nominations must be received by February 28, 2003.

Three teens face charges following Erin Twp. assault

Wellington OPP responding to a report of three girls needing assistance on County Road 22 in Erin Township on Friday, January 3, found they had fled from a residence on the Third Line following an assault committed on a 22 year-old female.

Police said the trio then entered a 1991 Volkswagen, damaged the ignition, removed a set of keys and left. They were

later located by police and taken into custody.

The result is a 15-year-old girl faces assault and mischief under \$5,000 charges as well as possession of property obtained by crime. The other two girls, one 15, the other 12, both face the latter two charges.

All three were held in custody until a bail hearing on January 4.

Solve Milton water woes

Acton is not the only Halton community experiencing water problems. Milton has had a problem with the high manganese content in their source water at Kelso, a naturally occurring element that doesn't pose a health concern.

Halton Region is constructing a new \$6.3 million water filtration plant at the Region's Kelso plant to correct the problem. "The construction team is right on schedule," says the Region's commissioner of planning and public works, Patrick Murphy.

Work on the new facility will continue throughout the winter. The new system is expected to be on-line in late spring 2003.

BRANCH No. 197  **LEGION NEWS**
By Alison Willmott P.R.O.

Hi again,
So it is now 2003 and hope everyone is back to normal as it has been a very busy time.

The New Year's Gala went well and the President's Levée was extremely successful. This could not have happened if it had not been for the cooperation and hard work of the Executive and some members who gave support. Many thanks to all who did. It was very gratify-

ing to see so many of you attending the Levée. Glad you all enjoyed the entertainment. Maybe we can have him back in the future.

Hope 2003 is a very safe and happy year for all.

See you at the General Meeting Monday, January 13 at 8:00pm and also Ladies' Auxillary meeting is tonight, January 9 at 8:00pm. Please try to attend. Thank you.

Renee Watson again heads Daughters of Knox

The Daughters of Knox met for the first meeting of 2003 on Monday, January 6. President will once again be Renee Watson and the Executive was installed during the church service on Sunday morning.

Plans were made for our study to start the New Year and a fundraising project was also initiated.

The President led a worship service and a video was shown on the history of the W.M.S. (Women's Missionary Society) of which the Daughters of Knox is an affiliated group.

The President also provided muffins, which were enjoyed with tea and coffee.

 **TOWN OF HALTON HILLS**
Working Together Working for You!

The Recreation and Parks Department requires a part time **Child Care Worker** for its "Preschool Playshop" program in Acton.

RESPONSIBILITIES
