A Partnership That Works!

Be a Part of Halton Region's Official Plan Review

Halton Region
2002
Official
Plan
Review

Halton Region is seeking input from the public on its Official Plan. We will be hosting a series of workshops throughout the Region, and we look forward to hearing your ideas on the future of Halton.

What is the Official Plan?

Every municipality in Ontario is required to develop an Official Plan which outlines a community's vision for its future and guides decisions on development, transportation, environmental protection, and more.

Halton Region's Official Plan is now under review. This is an opportunity for residents and businesses to play an important part in ensuring Halton Region continues to be a great place to live, work and play.

What is important to you about Halton Region? How should we address the challenges our Region is facing?

Your participation is vital. Please register for a workshop or visit our website to learn more about the Official Plan Review.

Water: Our Precious Resource

Halton Water Meter Change Out Program

Halton Region is undertaking a program to replace old, outdated water meters. The replacement of gear-driven or gallon meters with new remote-read meters will mean more accurate measurement of water usage, equitable billing and more convenient service for our customers by eliminating the need to fill out cards or call in readings.

If your meter is due for replacement, you will receive a package in the mail with all of the information you will need to arrange an appointment.

To learn more about this program, drop by our open house.
