

Milton fire fighters rushed to the scene Christmas morning to help put out the fire of the home owned by Margery McKerr. Milton called for help from the Halton Hills fire department and it was one of their volunteers who was injured.

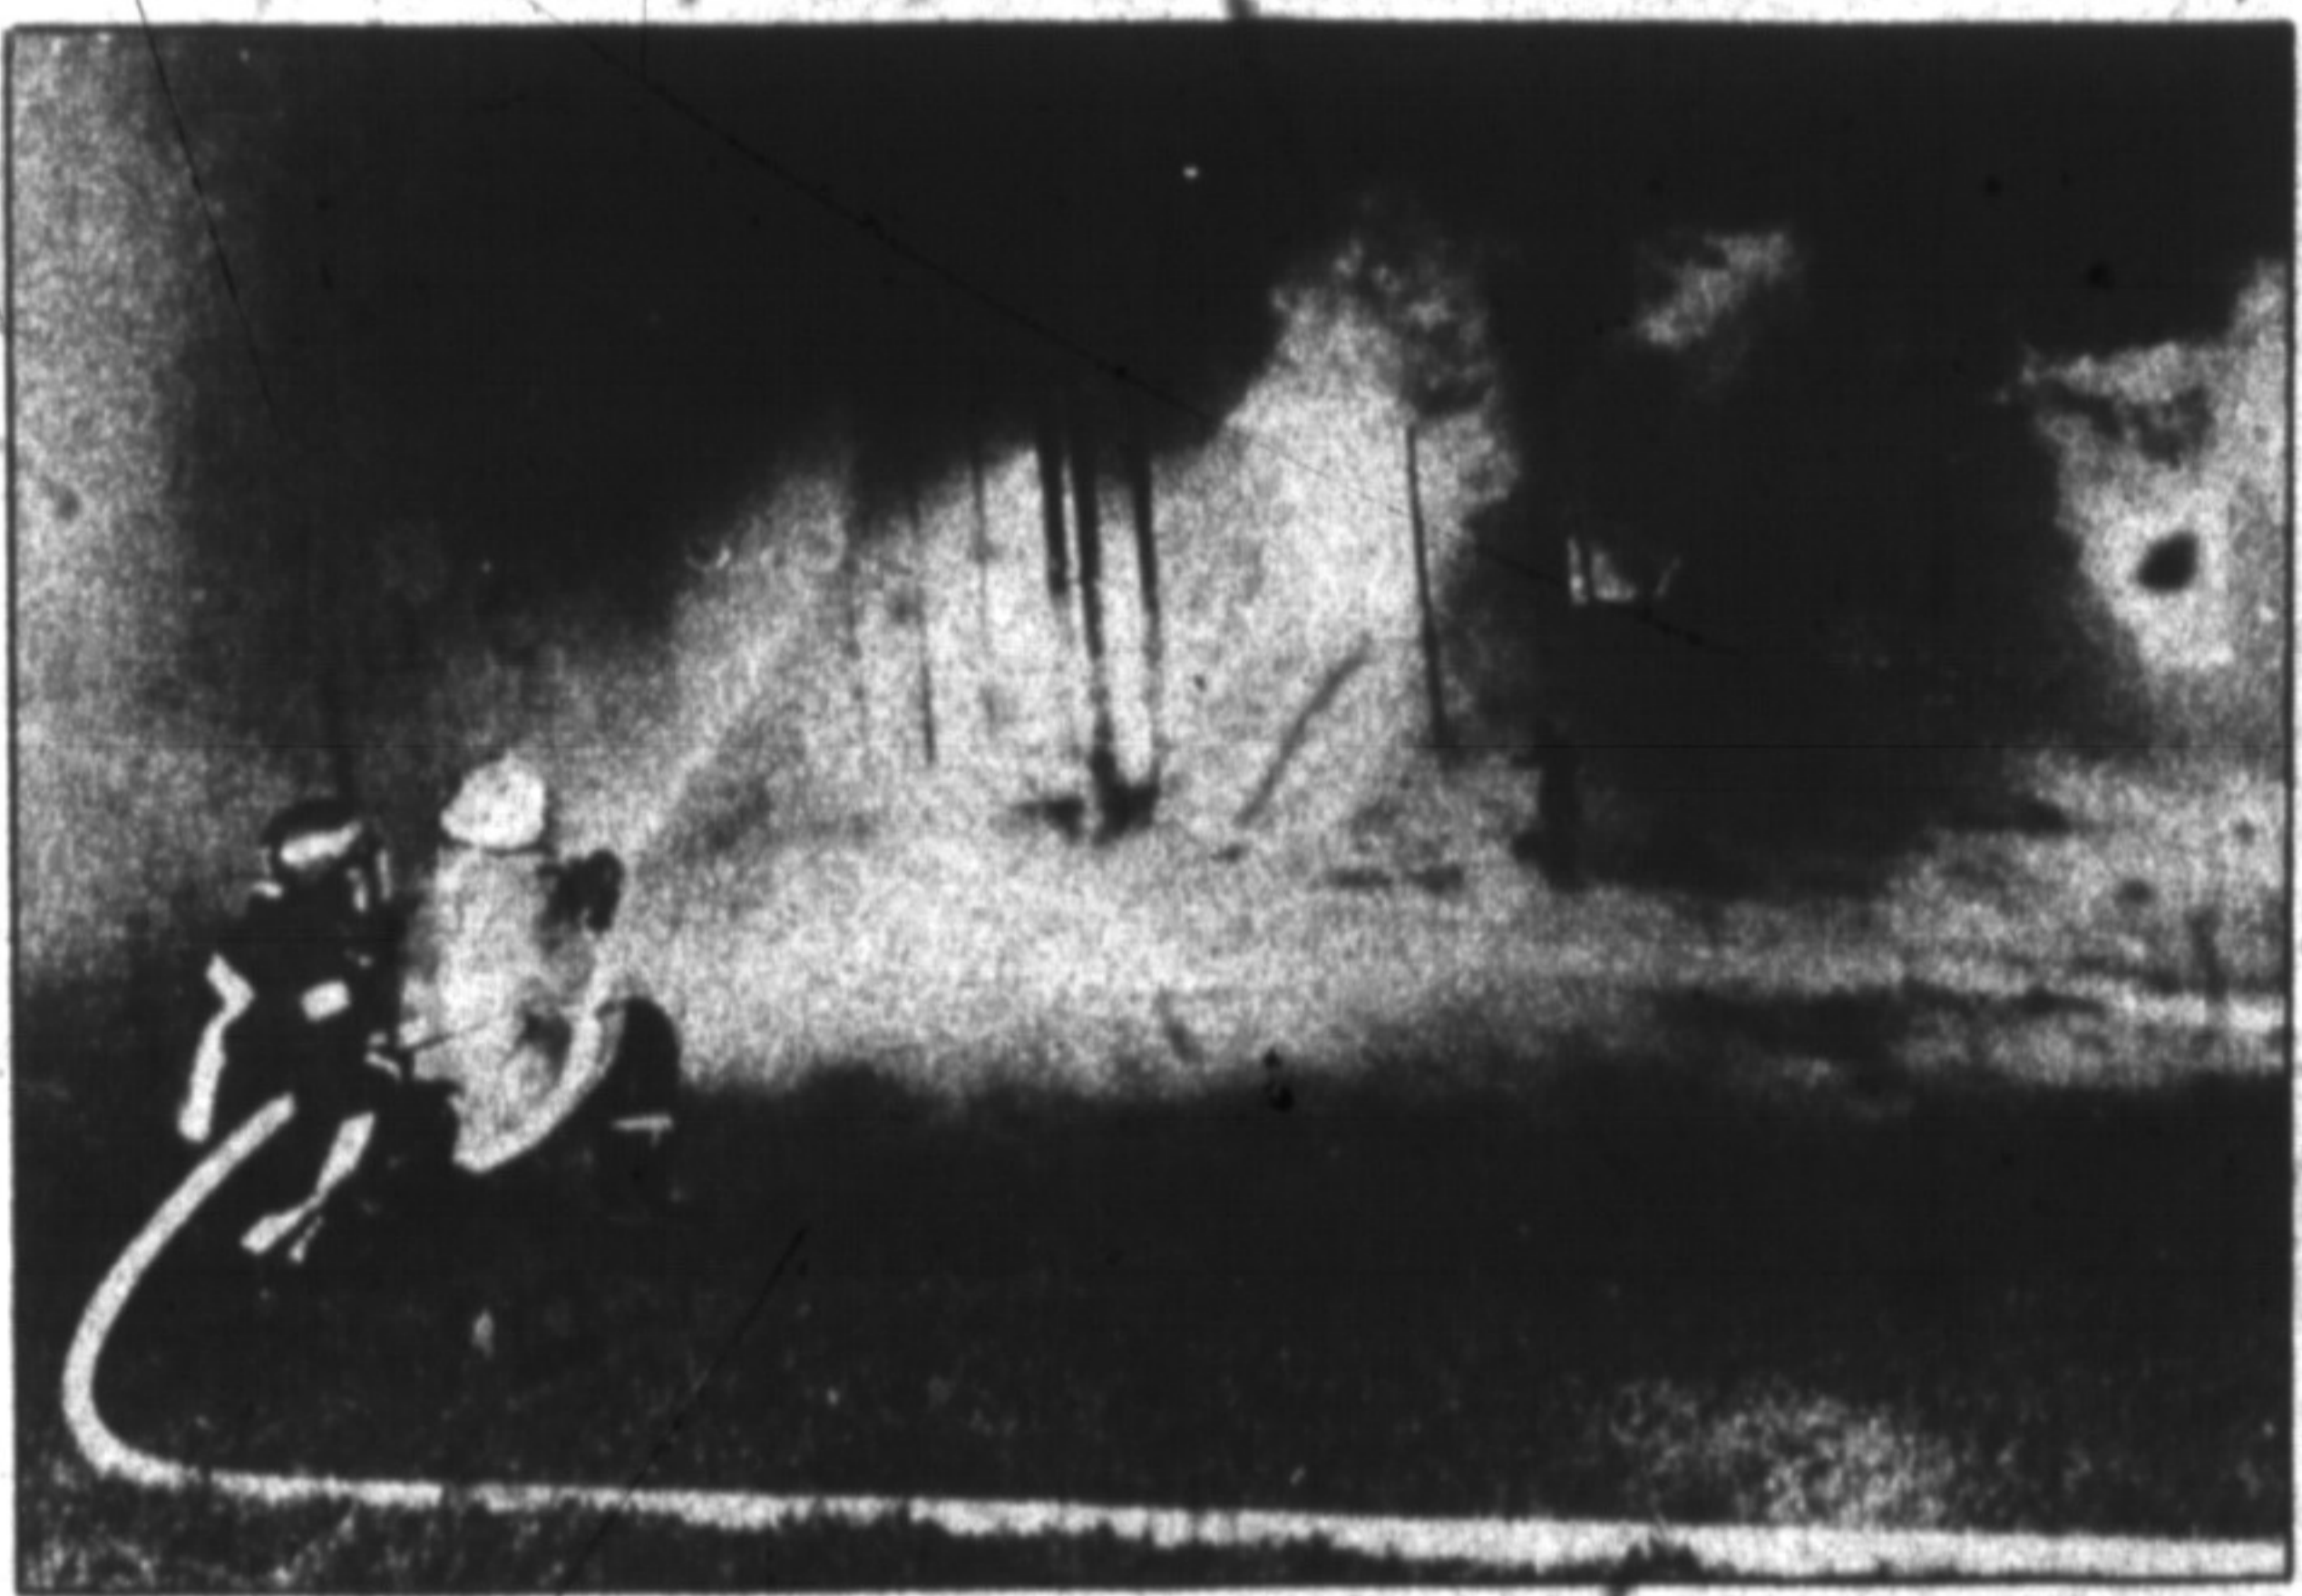

There was nothing this couple could do but stand and watch the home engulf itself with flames. Two people died although within four days of the blaze only one person was positively identified.

Within minutes, flames engulfed the home of Margery McKerr on Five Sideroad last Tuesday. Milton Fire Dept. responded to the alarm although technically the house falls under the jurisdiction of the Halton Hills department.

A fireman (on the right side) stands as a lonely figure against the flames and smoke of the burning house. The blaze was under control by 4 a.m. and extinguished by 8 a.m.

Firemen faced much debris while trying to put out the fire.
