GARY DIAS / SPECIAL TO THE BEAVER

**ON THIRD LINE:** FreshCo. store owner Rob DiFillippo with staff in front of his new store as it opened on Friday. Sobeys Ontario opened Oakville FreshCo, located at 2501 Third Line, along with eight other locations in Welland, Burlington, Hamilton, St. Catharines and Brantford. FreshCo delivers fresh foods, cheaper in a clean, convenient, contemporary shopping environment it says is not typical of discount grocery stores. Each store is tailored to its unique community with an international assortment of specialty products tailored to reflect the community as well as a selection of special dietary and health conscious items such as gluten and lactose-free products, which are not traditionally associated with discount food retailers.
