

# At the races

**TIGERTEL FESTIVAL:** At the 2010 TigerTel Oakville Charity Dragon Boat Festival, TigerTel, the festival's title sponsor, raised \$14,000 for the Halton Children's Aid Society. Clockwise from top right, the TigerTel mascot, also known as Neil Overbeek, leaves his boat after his 250-metre race; Ramsay Drummond-Young starts the 250m sprint; Leigh Ann Coady (left) and Phil Langford of Gumby and Gang exchange high fives after winning their D-consolation final; and Derek Zwiep of Kids R Us performs a cheer before loading his boat.

## Are You Happy With Your Smile?

Dr. Phelan knows that the first step in creating a great smile and any new patient relationship is clear communication. With this in mind Dr. Phelan will spend time with you in our consultation area discussing any concerns you may have about your smile and dental health, as well as your goals for the future. Dr. Phelan feels it is best to get to know the person before he gets to know your teeth.

Creating a beautiful and lasting smile requires time, skill and effort. No two people are alike and no two smiles are alike. Our goal is to create a smile that is unique and individual for you, that will look great now and for many years to come. We would like to create a smile that expresses your own unique personality and is well suited to your individual facial form.
