

Cruise for a Cause in September

A fully accessible cruise will be pulling out of Oakville Harbour on Thursday, Sept. 9 and all are invited to come aboard.

The Cruise for a Cause aboard the Wayward Princess is a charity event in support of boating for persons with disabilities or mobility issues.

People will have the chance to dance and dine aboard the cruise ship on Lake Ontario.

There will also be pre-cruise hors

d'oeuvres on the pier at Oakville Harbour.

The ship and dock are fully accessible for what has become an annual fundraiser for this cause.

Tickets cost \$60 per person or \$500 for a group of 10.

The ship leaves the Oakville Pier, on Navy Street, at 7 p.m. and returns at 11 p.m.

For tickets and more information, visit www.charterability.com.

Please direct all RSVPs to: Lori Kirkwood at ext. 7058
or by e-mail to lori.kirkwood@halton.ca

Communicating Building a Better Halton

Building a Better Halton is Halton's infrastructure construction plan. This plan covers road, water and wastewater projects.

To help keep residents informed about Building a Better Halton we've created a new construction web page at www.halton.ca/construction, which provides updates on all of our infrastructure construction activities.

We have also launched a Twitter feed, to provide you with real time updates. You can sign up at www.twitter.com/HaltonBBH to follow Building a Better Halton news about road closures, road reopenings and Public Works events such as open houses and Public Information Centres.

If you have any questions about Halton Region's construction projects, please contact us by dialing 311, or visiting our website at www.halton.ca/construction.

Battery Recycling

Local Depots Make It Easy To Recycle

As part of **Take It Back! Halton**, the Region and the Local Municipalities offer drop off depots for household rechargeable and disposable batteries. In 2009, over nine tonnes of batteries were collected from these locations!

Before bringing batteries to a depot, please sort them into rechargeable and disposable. For safety reasons, it is best to bring batteries in a plastic bag and then place them into the appropriate bin. Commercial and car batteries are not accepted at these locations.
