

To the rescue

Police are canvassing neighbours

Continued from page 1

Police said the suspect covered the victim's mouth and began to touch her in a sexual manner.

The woman managed to get the suspect's hand away from her mouth and began to scream causing the suspect to flee the scene.

He was last seen running towards his vehicle.

The victim was not physically injured during the incident.

The suspect is described as having a dark complexion, a medium build with short dark hair and being 5-foot-5 in height.

He wore a white t-shirt with lettering, jeans and dark running shoes.

Members of the Halton Regional Police Service Auxiliary Unit will be in the area of this assault later this week to canvass residents to obtain evidence that may lead to the identity of the suspect.

When out for a walk Halton police are advising residents to take a few simple precautions including:

- Informing others when and where you are going and check in with them when you reach your destination.

- Walking with a purpose. Be alert and attentive of your surroundings at all times.

- Be careful where you walk. Avoid lonely or unlit streets and shortcuts through parks and/or vacant lots.

- Walk on the curbside and away from alleys and doorways.

- If you suspect you are being followed, cross the street, go to the nearest house or store and call the police. Scream if necessary.

- When taking public transit alone, avoid waiting or getting off at isolated stations/stops.

- Arrange for a family member or friend to escort you to and from the station.

- It is dangerous to hitchhike and to involve yourself with strangers who are hitching a ride.

Once trapped inside a car, it is difficult to call for assistance.

The Halton Regional Police Service Child and Sexual Assault Unit is continuing to investigate this incident and anyone with information related to it is asked to contact the Child Abuse and Sexual Assault Unit at 905-825-4747, ext. 8965 or by calling Crime Stoppers at 1-800-222-TIPS (8477).

MICHAEL IVANIN / SPECIAL TO THE BEAVER

AT A CAR CRASH: Halton EMS and Oakville firefighters extract an injured person involved in a two-car collision at the intersection of Dorval Drive and North Service Road just after noon on Thursday. The crash resulted in the 49-year-old driver of a Neon being taken to hospital and a 40-year-old Toronto man charged with failing to stop at a red light.

For the Health of Our Community

Thank you to the sponsors, committee members and participants of the 15th Annual Peter D'Attoma Memorial Golf Tournament, held on Friday, July 23rd.

More than \$100,000 was raised at this year's golf tournament – a truly amazing result. All funds raised from the tournament will be donated to the Oakville Hospital Foundation to support the establishment of an oncology department at the New Oakville Hospital.

On behalf of the Oakville Hospital Foundation and the community at large, we are truly grateful for your generous support to help ensure that chemotherapy patients are soon able to receive their treatments, close to home.

Thank you for the health of our community.
