Oakville Library on the move in Clearview

Oakville Public Library's Clearview Neighbourhood Branch will have a new home as of Tuesday, Sept. 7.

The branch's new location will be in the new James W. Hill Public School located at 2860 Kingsway Dr.

Clearview will also have new hours. The new hours of operation will be: Monday to Thursday from 3:30-8:30 p.m. and Saturday, from 1-5 p.m.

This new location within the elementary school will give the

neighbourhood branch a permanent and more convenient location in the community.

In addition, sharing the space with the school library will result in a larger branch with an extra 1,000 sq. ft. of space.

Of course, the new larger branch also means a much bigger collection of children's materials and more computers for our customers.

The Clearview Neighbourhood Library Branch will be closed at its current location of

@ YOUR LIBRARY

1148 Winston Churchill Blvd. from Sunday, Aug. 22 to Monday, Sept. 6 staff make the move to the new location.

The book drop will remain open during the closure and will continue to be open until Monday, Sept. 13, at the Winston Churchill location.

All other branches of the Oakville Public Library will be available to serve patrons during the closure and we apologize for any inconvenience.

If you have any questions or comments about the Clearview Neighbourhood branch move, please direct them to Janice Kullas, Director of Service Planning and Development, at jkullas@oakville.ca
