ARTHRITIS

Pain free in 2 weeks!

This is what happened to me personally. After suffering for years I desperately tried everything, drugs, natural products, physiotherapy, acupuncture, magnets and nothing was of any real help. Finally I had relief in 2 weeks by taking shark cartilage that was specially processed to preserve the natural active ingredients. This is the kind we are now promoting. I realized then that there are over 50 million men and women that are battling the same illness and getting treatments that are not working well, otherwise we would not have this ongoing huge health problem. In the last 10 years we have helped tens of thousands of men and women to have less pain or no pain at all. This is a by-product of the food industry. No sharks are caught because of their bones/cartilage. **Nick A. Jerch, President**

We have real **EVIDENCE** that it works. On our web site you find over **100 testimonials** with full names and towns. All 100% true. Skeptics may call them. Here are some examples:

It's a shame that I was given drugs and injections all these years when a natural medicine could have spared me the endless torture day and night. *Pat Laughlin, Coldwater, ON* ■ **My hip is 95% pain free.** Pain killing drugs mask and Bell Shark Cartilage heals. *Rebecca Hite, Oroville, CA* ■ **I tried another brand and pain came back.** 2 weeks on Bell and pain is gone again. *Gert Dupuis, Hanmer, ON* ■ **Cancelled knee replacement.** I was in pain and limping.
