Tiltran Services Inc. of Tillsonburg is an exciting and progressive company specializing in High Voltage Power Systems for 25 years with a significant presence in the renewable energy sector. We require a motivated professional to join our team in role...

Director of Sales and Marketing

Responsible for the development and implementation of a strategic sales and marketing plan for Tiltran and affiliated companies, you will lead the sales and marketing strategy development process, including review, approval, and facilitation of proposals, contracts and programs. Utilizing marketing resources, you will ensure marketing focus supports business strategy and company brand and enhances company profile. Further, you will provide information and feedback on financial models of all new business and develop, maintain, and control the annual department budget.

You have a post secondary diploma or degree in business, sales or marketing, along with 5 years sales and marketing management experience in a service industry. An engineering or technical accreditation would be considered an asset. Your proven track record in identifying business opportunities, developing sales strategies and building a world class sales and marketing organization is enhanced by your interpersonal, leadership, communication, and negotiating skills. Electrical experience is preferred.

Tiltran offers a competitive remuneration package including a comprehensive benefit plan and profit sharing program. If you are looking for an exciting opportunity and future in the electrical and renewable energy sectors, please send your resume and cover letter to: resumes@tiltran.com
